	The excess of farm acreage over approximate lead :			L	L			472	301	41.	103

The excess of farm acreage over approximate land area is due to the fact that the entire acreage of a farm is tabulated as in the county in which the headquarters is located, even though a part of the farm may be situated in an ajoining county.

2Data for 1944 not strictly comparable with those for 1949. See text.

OPERATORS: CENSUSES OF 1950 AND 1945—Continued
