9	1944					1	nty in which t		

The excess of farm acreage over approximate land area is due to the fact that the entire acreage of a farm is tabulated as in the county in which the headquarters is located, even though a part of the farm may be situated in an adjoining county.

Data for 1944 not strictly comparable with those for 1949. See text.

County Table 1a.—IRRIGATED FARMS: NUMBER, ACREAGE, AND VALUE: CENSUSES OF 1950 AND 1945

[1950 data for items shown in italics are based on reports for only a sample of farms. See text]
