#### LOUISVILLE URBANIZED AREA MAP

The Louisville Urbanized Area, for which statistics are shown in tables, is depicted in the following map. The shaded areas, in combination, comprise the urbanized area. To assist in locating the exact external boundaries of the area, each boundary feature (street segment, political boundary, or other) has been assigned a number. The boundary segments thus numbered are shown on the map and the features to which they apply are presented in the following key.
