URBANIZED AREA MAPS

The eight urbanized areas entirely within New York and the New York part of the New York–Northeastern New Jersey Urbanized Area, for which statistics are shown in tables, are depicted in the following maps. The shaded areas, in combination, comprise the urbanized areas. To assist in locating the exact external boundaries of the areas, each boundary feature (street segment, political boundary, or other) has been assigned a number. The boundary segments thus numbered are shown on the map, and the features to which they apply are presented in the following key.
