URBANIZED AREA MAPS

The 10 urbanized areas having their central cities in Ohio, for which statistics are shown in tables, are depicted in the following maps. The shaded areas, in combination, comprise the urbanized areas. To assist in locating the exact external boundaries

of the areas, each boundary feature (street segment, political boundary, or other) has been assigned a number. The boundary segments thus numbered are shown on the map and the features to which they apply are presented in the following key.
