[Asterisk (*) denotes statistics based on 20-percent sample. Minus sign (-) denotes decrease. Percent not shown where less than 0.1. For complete-count items, percent and median not shown where base is less than 100; for sample items, percent and median not shown where base is less than 500. For additional statistics for the areas shown in this table, see tables 33 to 37 in the individual State Population reports on General Characteristics]
