

INDEX.

- Acreage, farms of negro farmers, 512, 524, 572, 578.
- Africa, sex composition of population, 89; marital condition, 386, 391; population born in, by states and territories, 859, 869, 885, 893, 901, 909, 915, 921; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; in cities, 1040, 1058; in country districts, 1050, 1067.
- Age, and sex, 100, 166; median, 130, 144; Census inquiry regarding, 131, 208; errors in statistics, 134; adjustment of returns, 169; average, 146; productive and nonproductive, 148; sex, race, and nativity of population, in specified age groups, 149, 154; population of European countries by, 150; 10-year age groups, population distributed by, 153; children under 1 and under 5 years, 163; negroes, statistics for, 208; voting, 260, 583, 593, 680; school attendance by, 344, 588, 687; marital condition by, 398; childbearing, 420; breadwinners by, 441, 468; teachers by, 480; deaths according to, 495, 498.
- Agriculture, negroes engaged in, 229, 252.
- Alabama. *See* States and territories.
- Alaska, area, 5; population, density of, 26; sex composition, 88; race distribution, 178. *See also* States and territories.
- Aliens, number of years in United States, 682.
- Allegheny plateau, boundaries, 12. *See also* Physiographic divisions.
- America (continent of), sex composition of population, 89. *See also* North America.
- Animals, domestic, on all farms and on farms of negroes, 576.
- Appalachian valley, boundaries, 12. *See also* Physiographic divisions.
- Arctic belt, 196.
- Area, continental United States and outlying districts, 3, 5; United States compared with other countries, 3; widening of boundaries of United States by treaty, 3; land surface and water surface, 4; measurements used by Government, 4; variations in Census and Land Office measurements, 4; countries having 1,000,000 square miles, 5; states and territories, 6; counties, 6; minor civil divisions, 8; main geographic divisions, 9; physiographic divisions, 14.
- Argentina, area, 5; population, density of, 27; increase in, 32; marital condition, 386, 391.
- Arizona. *See* States and territories.
- Arkansas. *See* States and territories.
- Asia, sex composition of population, 89; population born in, by states and territories, 859, 869, 885, 893, 901, 909, 915, 921; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1073; in cities, 1040, 1058; in country districts, 1050, 1067.
- Asses and burros. *See* Domestic animals.
- Austral belt, 196.
- Australasia, marital condition of population, 386, 391; population born in, by states and territories, 909; per 10,000 of total population, by states and territories, 947.
- Australia, population, density of, 27; increase in, 32; sex composition, 89; population born in, by states and territories, 859, 869, 885, 893, 901, 915; per 10,000 of total population, by states and territories, 923, 931, 939, 955; by counties, 1071; in cities, 1040, 1058; in country districts, 1050, 1067.
- Austria, increase in population, 32; age statistics, 140, 150, 164; illiteracy, 330; marital condition, 386, 391; death rate, 495; from consumption, 505; population born in, by states and territories, 857, 867, 883, 891, 899, 907, 914, 920; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1068; in cities, 1038, 1057; in country districts, 1048, 1065.
- Austria-Hungary, population, 17; density of, 27.
- Austroriparian zone, 196.
- Barbados, marital condition of population, 386, 391.
- Barbers and hairdressers, negroes employed as, 234.
- Barley. *See* Cereals, and Crops, specified.
- Basin and Plateau. *See* Geographic divisions.
- Belated education, 337.
- Belgium, increase in population, 32; age statistics, 140, 150, 164; illiteracy, 330; marital condition, 386, 391; death rate, 495; from consumption, 505; population born in, by states and territories, 857, 867, 883, 891, 899, 907, 913, 920; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1073; in cities, 1037, 1056; in country districts, 1047, 1065.
- Bermuda Islands, marital condition of population, 386.
- Bibliography of "Age Statistics," 174.
- Billings, Dr. John Shaw, 406, 410; section on "A Discussion of the Vital Statistics of the Twelfth Census," by, 493.
- Birthplace, population classified by, 278; per 10,000 distribution of population in each state, 878, 886, 894, 902, 910, 916; in each county, 1068; native white, distributed according to state or territory, 970, 976, 982, 987; native colored, by state or territory, 1000, 1006, 1013, 1017.
- Births (and birth rate), inquiry as to date, 131; registration records, 142; effect of, on proportion of children, 163; Twelfth Census statistics, 237; Census methods in securing birth rate, 406; causes of decline, 410; states showing decrease, 414.
- Black belt, boundaries, 196; farm ownership and farming, 537.
- Blacksmiths, negroes employed as, 236.
- Bohemia, population born in, by states and territories, 857, 867, 883, 891, 899, 907; per 10,000 of total population, by states and territories, 923, 931, 939, 947; by counties, 1069; in cities, 1038, 1057; in country districts, 1048, 1065.
- Bolivia, density of population, 27.
- Bombay, excess of males in population, 95.
- Brazil, area, 5; density of population, 27.
- Breadwinners, negro, 226; marital condition, 464; classified by age periods, 467. *See also* Occupations.
- British America, population born in, by states and territories, 900, 908, 915, 921; per 10,000 of total population, by states and territories, 939, 947, 955, 963.
- British Empire, area, 5; population, 17.
- British Guiana, marital condition of population, 391.
- British Honduras, marital condition of population, 386, 391.
- Buckwheat. *See* Cereals, and Crops, specified.
- Bulgaria, marital condition of population, 386.
- Burros. *See* Domestic animals.
- California. *See* States and territories.
- Campbell, Governor, 333.
- Canada, population, density of, 27; increase in, 32; age statistics, 140; emigration from United States to (note), 288; marital condition, 386, 391; teachers, 476, 478; population born in, by states and territories, 858, 868, 884, 892; per 10,000 of total population, by states and territories, 923, 931; by counties, 1068; in cities, 1039, 1057; in country districts, 1049, 1066.
- Canadian belt, 196.
- Cape of Good Hope, marital condition of population, 386, 391.
- Carpenter, F. De Y., 4.
- Carpenters and joiners, negroes employed as, 234.
- Caucasian race, numerical predominance of, in United States, 175. *See also* Whites.
- Census, definition of census day, 15; margin of error in returns, 16, 88, 580; vote cast in years of, by states and territories, 594.
- Centenarians, exaggerated reports as to number of, 130, 143.
- Central America, population born in, by states and territories, 859, 869, 885, 892, 900, 908, 915, 921; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1073; in cities, 1040, 1058; in country districts, 1050, 1066.
- Cereals, acreage and amount on farms of negro farmers, 550.
- Child illiteracy. *See* Illiteracy of children.
- Childbearing age, 420.
- Children, proportion of, 131, 408, 412, 413; classified by age, 139; number, 163; effect of migration of adults, 164; under 1 year and under 5 years, 165; ratio of, to negro women, 239; to non-Caucasian women, 239; illiteracy, 341; proportion married, 391; birth rate, 406, 407, 410; proportion to potential mothers, 409, 422; race, 414; maximum and minimum proportions, 416; in city and in country, 418, 425; relative fecundity of native and foreign born women, 420, 434; race, nativity, and place of residence, 423; under 5 years compared with non-Caucasian potential mothers, 424, 427, 432; number of school age, an index of population, 587; ratio of, in specified cities, 588.
- Chili, marital condition of population, 386, 391.
- China, area, 5; population, 17; density of, 27; population born in, by states and territories, 859, 869, 885, 893, 901, 909, 915, 921; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1069; in cities, 1040, 1058; in country districts, 1050, 1067.
- Chinese, nativity erroneously reported, 101; decreasing number, 175, 184.

- Cities, map locating 160, 24; increase of population, 54; number of, within specified limits of size, 79; concentration of females in, 95, 98; of migrants, 277; increase in migration to, 300; whites and non-Caucasians living in, 307; school attendance, 721; population, classified by place of birth, 1031, 1051. *See also* City and country districts.
- Cities (specified), in order of decreasing male population, 99; population, by sex, 110; proportion of mulattoes, 191; child illiteracy, 374; children, 428; deaths, 499; increase in population for given censuses, 582; males of voting age, 583; relation of votes cast to population, 583, 593; ratio of inhabitants to votes, 585; to persons of school age, 588; estimates based on "number of names" in directories, 592; parentage of native white population, 671; school attendance, 726; ratio of families to dwellings, 732.
- Citizens, per cent of, in total population, 583, 593.
- Citizenship, 584.
- City and country districts, population in, by geographic divisions, 20, 23, 53, 597; by states and territories, 21, 25, 597; definition of terms *city* and *country*, 49; increase in population, 49; population, by sex, 91, 109, 632, 647, 663; at least 5 years of age, 122; median age, 145; in productive age groups, 151; under 1 year and under 5 years, 164; Indians, 182; Mongolians, 183; negroes, 201; mulattoes, 191; negro and white population compared, 205; sex distribution, by color, 207, 643; illiteracy of negro population, 215; place of birth and of residence, 299, 1031, 1041, 1051, 1059; child illiteracy, 342, 346, 357, 359; by sex, 350, 360; by race, 352, 362; by nativity, 354, 371; families, 378, 729; marital condition, 389, 395, 399, 742; proportion of children, 418, 425; breadwinners, 442, 464; teachers, 477, 486; population, by race, 597; by nativity, 620, 628, 647, 663; by parent nativity, 663, 667; by number of years in United States, 674, 682; school attendance, 701; dwellings, 728.
- Civil divisions (minor), area, 7, 8.
- Civil War, effect on population, 89, 102, 202; on illiteracy, 341.
- Clergymen, negroes as, 234.
- Coast lowlands, boundaries, 11. *See also* Physiographic divisions.
- Coast ranges, boundaries, 14. *See also* Physiographic divisions.
- Coastal plain, boundaries, 12. *See also* Physiographic divisions.
- Colombia, density of population, 27.
- Color. *See* Race.
- Colorado. *See* States and territories.
- Colored. *See* Non-Caucasians.
- Columbian mesas, boundaries, 14. *See also* Physiographic divisions.
- Compulsory education, effect on child illiteracy, 343, 349.
- Conjugal condition. *See* Marital condition.
- Connecticut, registration records of births and deaths, 142. *See also* States and territories.
- Consumption, death rate from, in cities of United States and of Europe, 504.
- Continental United States, area, 5; counties, average area, 14; increase in population, 41, 62; population by geographic divisions, 17, 597; by states and territories, 25, 597; by city and country districts, 25, 80, 597; density of, 26; increase in, 32, 36, 76, 84; number of cities of given sizes, 79; sex composition, 88, 109, 124, 207, 632; school attendance, 128; by sex, race, and nativity, 687, 699; of negroes, 258, 701; by age, 721; age statistics, 132; median age and quartiles, 146; productive and nonproductive age groups, 152; specified age periods, 158, 165, 344; adjustment of census returns, 169; races, 178, 597; negroes, 191; by sex, 207; by age, 208, 254; by birthplace, 212, 257; by illiteracy, 214; by marital condition, 220, 247; by occupations, 230, 252; by males of voting age, 260; interstate migration, 280; illiteracy, 333; child illiteracy, 342; in city and in country, 346; by sex, 350, 365; by race, 352, 368; by nativity, 354, 372; families, 377, 382, 729; population, by marital condition, 387, 462; by race, nativity, and age, 742; children, number and proportion, 408, 422, 427; occupations, 440; by sex and marital condition, 464; by age, 467; teachers, 476; by sex, 479; by age, 480; by race, 482; in cities and in country, 486; farms of negro farmers, 542; by area, 542, 545, 572; by tenure, 544, 554; by products, 546, 570; by source of income, 547; animals, etc., 548; crops, 550; compared with all farms, 573; number of votes cast, 586, 594; population classified by place of birth and of residence, 614, 850, 860, 878, 886, 894, 902, 910, 916, 1031, 1041, 1051, 1059; native whites, 970, 976, 982, 987, 992, 996; native colored, 1000, 1006, 1012, 1017, 1022, 1027; nativity of population, 620; foreign born, number of years in, 674; aliens, 682; school attendance, 697; dwellings, 728.
- Cordilleran region, boundaries, 13. *See also* Physiographic divisions.
- Corn. *See* Cereals, and Crops, specified.
- Costa Rica, marital condition of population, 386, 391.
- Cotton, production of, on farms operated by negroes, 553.
- Counties, area, 3, 6, 10, 14; population, 19; density of, 28; changes in boundaries, 40; increase in population, 41, 62; negroes, 193; illiteracy of negroes, 215, 264; distribution of population in, by state or country of birth, 1068.
- Country districts, concentration of males in, 95, 98; child illiteracy, 346; families, 378; marital condition, 388, 395; teachers, 477, 481; population classified by place of birth and residence, 1041, 1059. *See also* City and country districts.
- Cows. *See* Domestic animals.
- Croats, race classification, (note) 177.
- Crop-lien system, 522.
- Crops, specified (on farms operated by negroes), acreage and production, 517, 534; source of income, 547; number of farms reporting, 550; compared with production of, on all farms, 576.
- Croup. *See* Diphtheria and croup.
- Cuba, marital condition of population, 386, 391; teachers, 476, 478; population born in, by states and territories, 858, 884; per 10,000 of total population, by states and territories, 923; by counties, 1075; in cities, 1039; in country districts, 1049.
- Deaths (and death rate). *See* Mortality.
- Delaware. *See* States and territories.
- Denmark, increase in population, 32; age statistics, 140, 150, 164; illiteracy, 330; marital condition, 386, 391; death rate, 495; population born in, by states and territories, 856, 866, 882, 891, 898, 906, 913, 919; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1068; in cities, 1037, 1056; in country districts, 1047, 1065.
- Density of population, United States, 26; outlying districts, 26; various countries, 27; states and territories, 27; physiographic divisions, 28; selected counties, 28.
- Diphtheria and croup, death rate from, in specified cities, 507.
- Directory canvass, estimates of population based upon, 590; methods of making, 591.
- District of Columbia, negroes, 265; breadwinners in female population, reasons for large number, 451; expectation of life in, 509. *See also* States and territories.
- Divorce, economic position of women reflected by statistics of, 442. *See also* Marital condition.
- Domestic and personal service, negroes engaged in, 252.
- Domestic animals, number and value of, on farms operated by negroes, 515, 548.
- Draymen, hackmen, teamsters, etc., negroes employed as, 232.
- Dressmakers, negroes employed as, 235.
- Du Bois, W. E. Burghardt, Ph. D., section on "The Negro Farmer," by, 511.
- Dwellings, distribution of, in city and in country, 728; ratio of families to, 732.
- Eastern North Central division. *See* Geographic divisions.
- Economic families, 377. *See also* Families.
- Education, "belated," 337; compulsory, effect on child illiteracy, 343, 349.
- Emigration. *See* Migration.
- Engineers and firemen, negroes employed as, 236.
- England, illiteracy, 330; death rate from consumption, 505; population born in, by states and territories, 856, 866, 882, 890, 898, 906, 913, 919; per 10,000 of total population, 923, 931, 939, 947, 955, 963; by counties, 1068; in cities, 1037, 1056; in country districts, 1047, 1064.
- England and Wales, increase in population, 32; death rate, 108, 495; age statistics, 140, 150, 164; marital condition, 386, 391; teachers, 476, 480, 481.
- English census, age classification, 138.
- Enumeration area, 16.
- Europe, sex composition of population, 89; illiteracy, 330; marital condition, 386, 391; deaths from consumption, in cities, 505; population born in, by states and territories, 856, 866, 882, 890, 898, 906, 913, 919; per 10,000 of total population, 923, 931, 939, 947, 955, 963; in cities, 1036, 1055; in country districts, 1046, 1064.
- Expectation of life, in specified cities and states, 508.
- Families, Census usage of term, 376; decreasing size of American, 376; economic, 377; private, 377, 731, 732; distribution by geographic divisions, 377, 382; by states and territories, 378, 382; in city and in country, 378, 729; average size, 379, 382; prevailing size, 379; ratio of, to dwellings, 732; of different sizes, 736.
- Farms, acreage and production of all, compared with those of negro farmers, 572.
- Farms (operated by negroes), acreage of, by geographic divisions, 512; by states, 512, 542; of owned farms, 524; by tenure, 527; total and improved, 572; average size, 512, 578; area, 513, 545, 575; farm property, value of, in detail, 513, 522; by tenure, 529; ratio of, to value of products, 536; value of, June 1, 1900, 542; farm homes, 514; farm equipment, 515; live stock, 515; farm products, value of, by geographic divisions, 516; by tenure, 530; for states and territories, 542, 546, 574; crops, 517, 534, 550, 576; principal source of income, classification by, 518, 547, 575; tenure, 520, 526, 544, 554; labor and fertilizers, expenditure for, 519, 526, 554, 574; conditions under slavery, 521; effect of Civil War, 521; share tenant system, 522; crop-lien system, 522; present economic conditions, 523; ownership, 523; in the black belt, 537; domestic animals, 515, 534, 548, 562, 576; white and negro farmers compared, 535, 578; cereals, acreage and production, 550; hay, potatoes, and sweet potatoes, number reporting production, 552; cotton and tobacco, 553.
- Farms of non-Caucasian farmers, total and improved acreage, 528; tenure, 554, 570; principal source of income, 570; area, 570.
- Farr, Dr. William, 138, 141.

- Fecundity of women, native and foreign born compared, 420.
- Females, excess, counties showing, 91; negro population, 207; concentration, in cities, 95; proportion of children to potential mothers, 239, 409, 422, 424, 427, 432; relative fecundity of native and foreign born women, 420, 434; marital condition, 463, 743; proportion in white and in negro population, 643; in city and in country, by nativity and parent nativity, 663; school attendance, by race, nativity, and age, 705. *See also* Sex.
- Fertilizers, expenditures for, on farms operated by negroes, 519, 554; compared with all farms, 574; with farms operated by whites, 578.
- Finland, illiteracy, 330; death rate from consumption, 505; population born in, by states and territories, 857, 883; per 10,000 of total population, by states and territories, 923; by counties, 1071; in cities, 1038; in country districts, 1048.
- Fishermen and oystermen, negroes employed as, 236.
- Florida. *See* States and territories.
- Foreign born population, median age, 144; high birth rate, 163; in city and in country, 628; sex composition, 663; number of years in United States, 674, 684; males of voting age, 680; school attendance, 689.
- Foreign parentage, illiteracy of children, 355, 372. *See also* Parentage.
- Foreign whites, school attendance, 106, 697, 712; age constitution, 144, 148, 171; illiteracy, 332, 354; in city and in country, 357, 620, 647; fecundity of women, 420; marital condition, 760, 796, 823, 841.

- Physiographic divisions, average area of a state or territory in, 6; area, 9, 14; boundaries, 11; population, distribution of, 19, 197; density of, 28; increase in, 49; sex composition, 93, 94, 124.
- Piedmont region, boundaries, 12. *See also* Physiographic divisions.
- Plantation system, in the South, 521.
- Plateau region, boundaries, 13. *See also* Physiographic divisions.
- Pneumonia, death rate from, 505.
- Poland, population born in, by states and territories, 857, 868, 883, 892, 900, 908, 914; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955; by counties, 1069; in cities, 1037, 1057; in country districts, 1047, 1066.
- Population, *de facto*, and *de jure*, 16; specified countries, 17; in city and in country, by geographic divisions, 20; states and territories, 25; density of, 26; increase in, 30, 32; United States, 31; outlying districts of United States, 32; increase in United States compared with other countries, 34; increase, by geographic divisions, 34, 35; by twenty-year periods, 36; North and South, 36; East and West, 37; states and territories, 38; county areas, 41; in city and in country, 49, 78, 80; cities, 54; death rate by sex and age, 107; age classification, 132, 153, 158, 161; median age and quartiles, 146; race, age, and nativity, 148, 170; sex and age, in city and in country, 157; children, 163; race composition, 175, 200, 597; negroes, 201; effect of migration, 303; votes cast, as an index, 580, 582; methods of estimating, 580; school census, as a basis of estimating, 587; and city directories, 590; directory estimates in given cities, 592; nativity, 620; years in United States, 674; families, 729, 731; marital condition, 742, 778, 814, 832; place of birth and of residence, 850, 860, 878; of native white, 970, 982; of native colored, 1000, 1012; in cities, 1031, 1051; in country districts, 1041, 1059.
- Porters and helpers, negroes employed as, 233.
- Porto Rico, area, 5; population, 16; density of, 26; sex composition, 88; races, 175, 178; negroes, 191; marital condition, 386; population born in, by states and territories, 855, 882; per 10,000 of total population, by states and territories, 923; in cities, 1036; in country districts, 1046.
- Portugal, age statistics, 150, 164; illiteracy, 330; marital condition of population, 386; population born in, by states and territories, 857, 867, 884, 892, 899, 907, 914, 920; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1074; in cities, 1038, 1057; in country districts, 1048, 1066.
- Potatoes, production of, on farms operated by negroes, 552.
- Poultry, value on farms of negro farmers, 548.
- Prairie region, boundaries, 12. *See also* Physiographic divisions.
- Products, farm (on farms of negro farmers), value of, 546, 554; compared with all farms, 574; compared with those of white farmers, 578.
- Professional service, negroes engaged in, 252.
- Property, farm (farms of negro farmers), 513, 554, 578.
- Proportion of children. *See* Children.
- Prussia, death rate, 108, 495; centenarians (note), 143.
- Public lands, effect on westward migration, 303.
- Quartiles of population, by states and territories, 146.
- Queensland, marital condition of population, 386, 391.
- Race, classifications used, 176; illiteracy by, 332, 336; child illiteracy by, 342, 350, 368, 375; marital condition by, 402, 742; children, 414; breadwinners, 444; teachers, 481, 489; population in city and in country by, 597; and sex, 632; school attendance by, 687, 703. *See also* Negroes, Non-Caucasians, and Whites.
- Registration records (births and deaths), results in given states, 142.
- Residence and birthplace, of negroes, 257; of non-Caucasians, 614; of total population, 878; of native white, 970; of native colored, 1000.
- Rhode Island, registration records of births and deaths, 142. *See also* States and territories.
- Rice. *See* Cereals, and Crops, specified.
- Rocky Mountain states. *See* Geographic divisions.
- Rocky mountains (physiographic division), boundaries, 13.
- Roumania, illiteracy in, 330; population born in, by states and territories, 858, 884; per 10,000 of total population, by states and territories, 923; by counties, 1074; in cities, 1039; in country districts, 1049.
- Rural districts. *See* Country districts.
- Russia, area, 5; population, 17; sex composition, 94; illiteracy, 330; population born in, by states and territories, 857, 867, 883, 891, 899, 907, 914, 920; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1068; in cities, 1038, 1057; in country districts, 1048, 1065.
- Rye. *See* Cereals, and Crops, specified.
- St. Helena, marital condition of population, 386.
- St. Vincent, marital condition of population, 391.
- Samoa, acquisition, 3; area, 5; total population, 16; density of population, 26.
- Saw and planing mills, negroes employed in, 233.
- Scandinavia, population born in, by states and territories, 856, 866, 882, 891, 898, 906, 913, 919; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1068; in cities, 1037, 1056; in country districts, 1047, 1065.
- School age, population of, 344; population in specified cities, 588.
- School attendance, by sex, 103, 128; by sex, race, nativity, and age, 687, 703; in city and in country, 691; age and months of attendance, 703, 721; negroes, 258, 701; whites, 687; foreign born whites, 697; non-Caucasians, 699.
- School census, as a basis for estimating population, 587; compared with Twelfth Census, 589.
- School tax, state, effect on illiteracy, 347.
- Scotland, increase in population, 32; age statistics, 140, 150, 164; illiteracy, 330; marital condition, 386, 391; death rate, 495; from consumption, 505; population born in, by states and territories, 856, 866, 882, 891, 898, 906, 913, 919; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1068; in cities, 1037, 1056; in country districts, 1047, 1064.
- Seamstresses, negroes employed as, 236.
- Servants and waiters, negroes employed as, 231.
- Servia, illiteracy, 330; marital condition, 386.
- Sex, population classified by, 88; in the several continents, 89; by geographic divisions, 89, 124; by physiographic divisions, 93, 124; in city and in country, 94, 98, 109, 112, 168; age and, 100, 122, 166; races shown by, 101, 632; school attendance according to, 103, 128, 687; death rate and, 107, 168, 495; in specified cities, 110; in cities of specified sizes, 118; and nativity, 166; negroes, 207, 221, 261; of illiterates, 217; illiteracy of children by, 349; and marital condition, 389, 742, 778; breadwinners, 441; teachers, 478. *See also* Males, and Females.
- Sheep. *See* Domestic animals.
- Sierra Leone, marital condition of population, 386.
- Slavery, farming conditions under, 521.
- Slaves, ownership of, in South, 521.
- South, increase of negro population, 203; marital condition of whites, 224; of negroes, 225; interstate migration, 305.
- South America, marital condition of population, 386, 391; population born in, by states and territories, 859, 869, 885, 892, 900, 908, 915, 921; per 10,000 of total population, by states and territories, 923, 931, 939, 947, 955, 963; by counties, 1071; in cities, 1040, 1058; in country districts, 1050, 1066.
- South Atlantic division, occupations in, effect of negro population on, 452. *See also* Geographic divisions.
- South Australia, age statistics, 140; marital condition, 386, 391.
- South Carolina. *See* States and territories.
- South Central division, occupations in, effect of negro population on, 452. *See also* Geographic divisions.
