464	Mississippi.		

# 1. RELATIVE IMPORTANCE OF THE SEVERAL COUNTRIES IN THE PRODUCTION AND CONSUMPTION OF COTTON

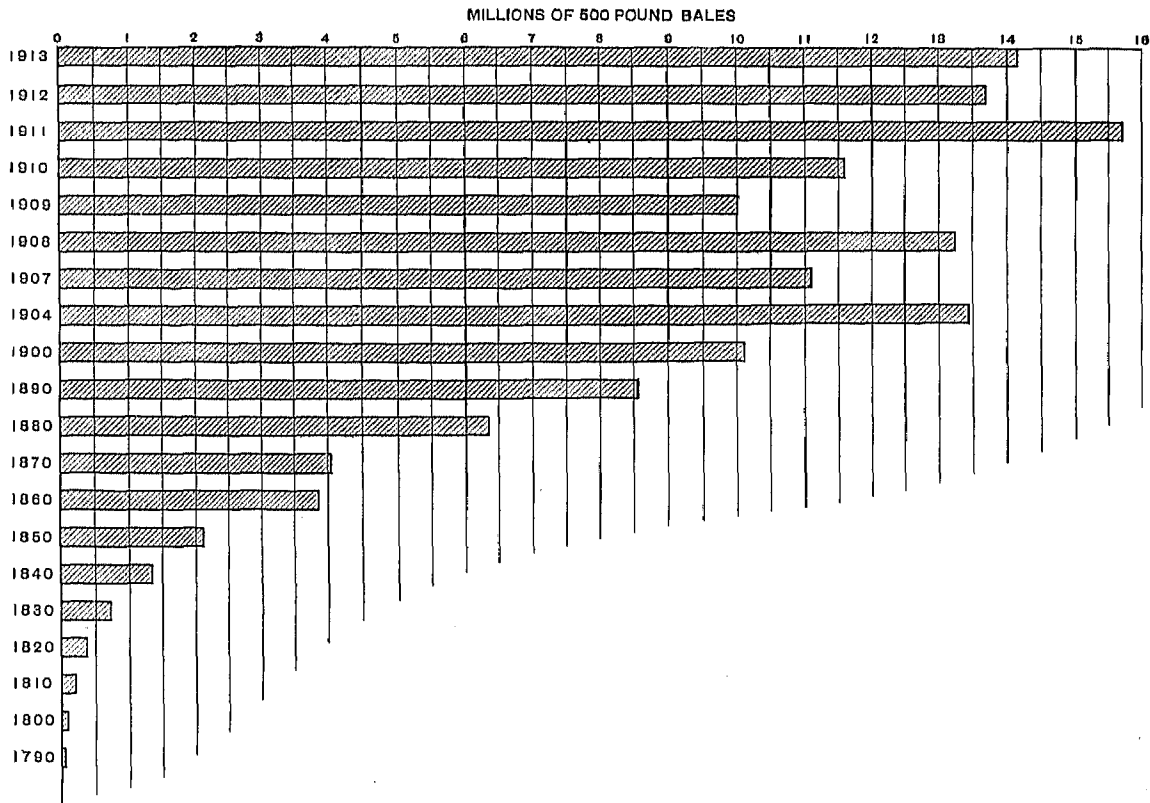

PROPORTION OF WORLD'S MILL SUPPLY OF COTTON CONTRIBUTED BY EACH COUNTRY (GROWTH OF 1913)

PROPORTION OF TOTAL CONSUMPTION, BY COUNTRIES (YEAR ENDING AUGUST 31, 1913)

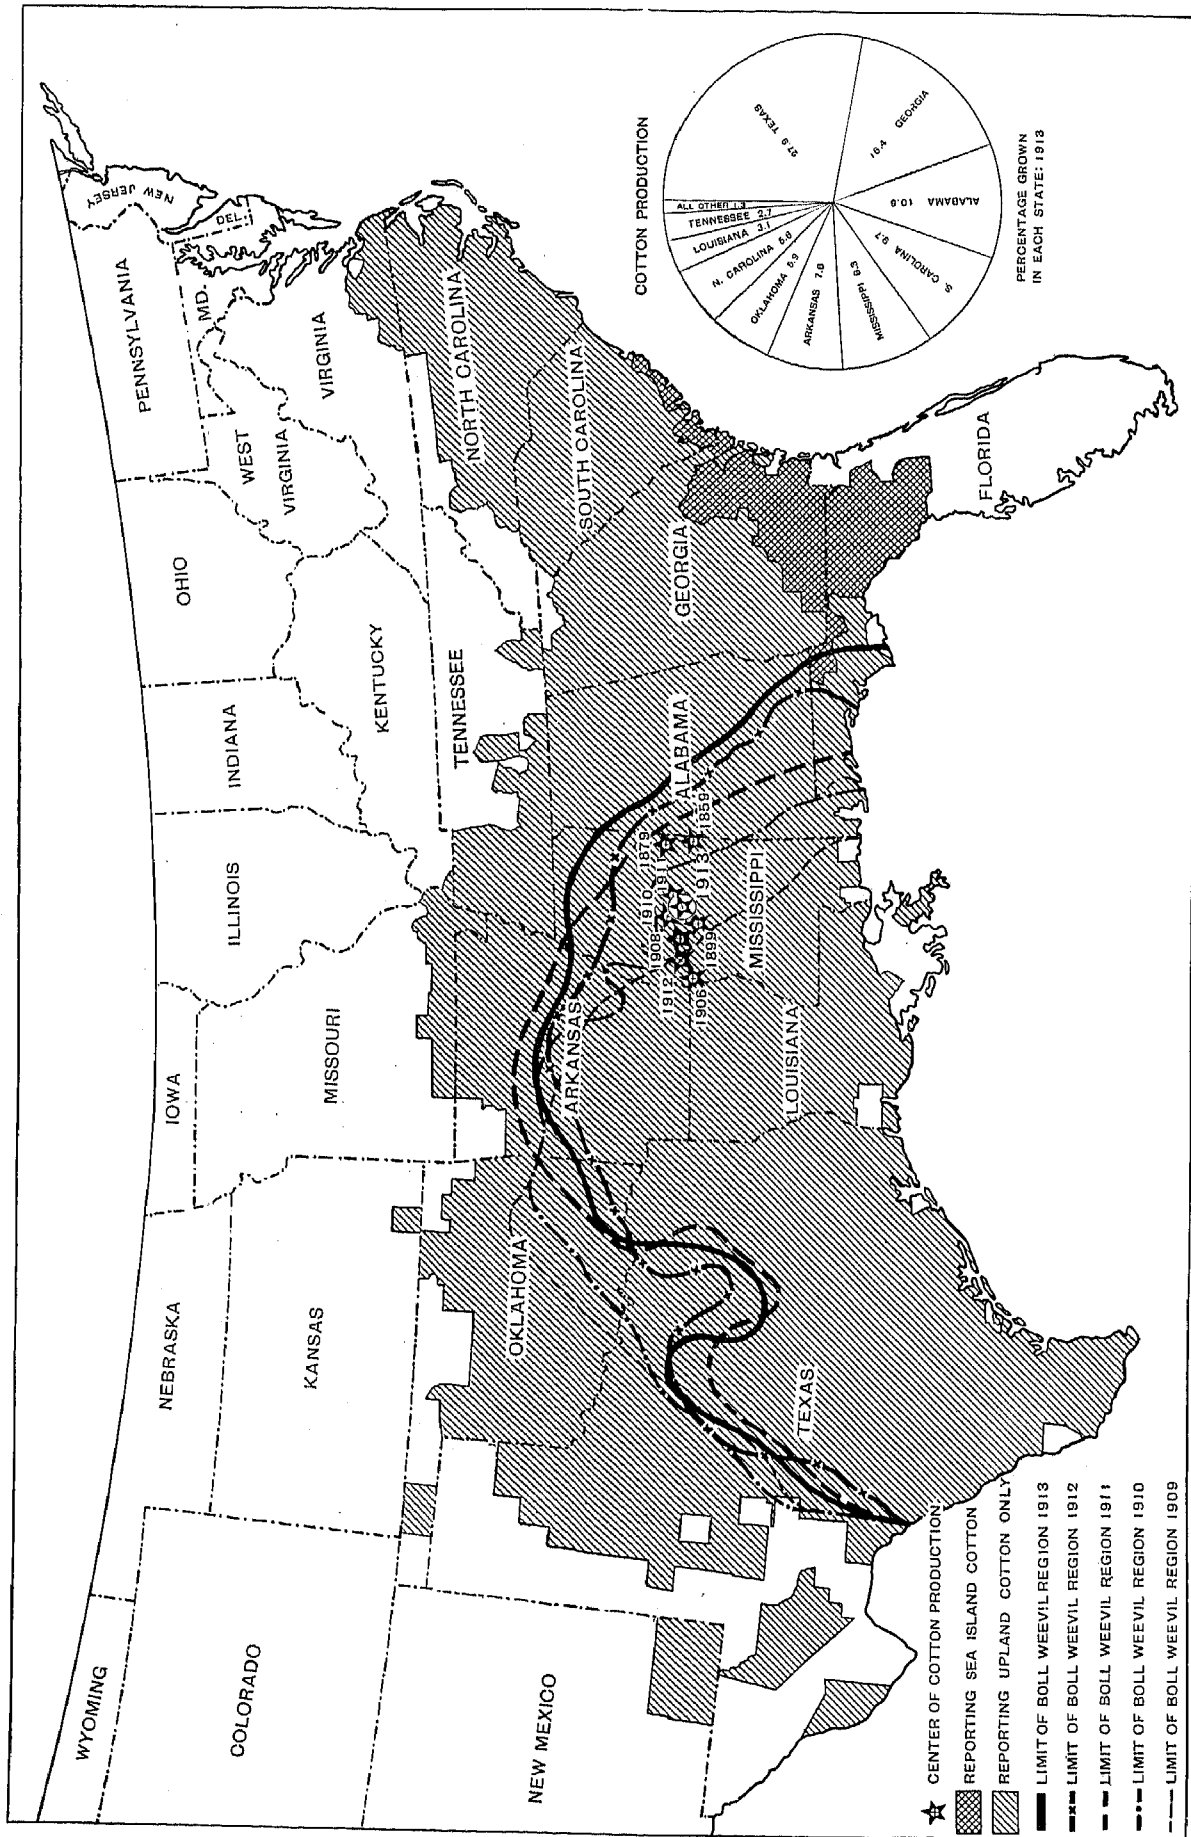

## 2. COTTON PRODUCTION IN SPECIFIED YEARS: 1790-1913

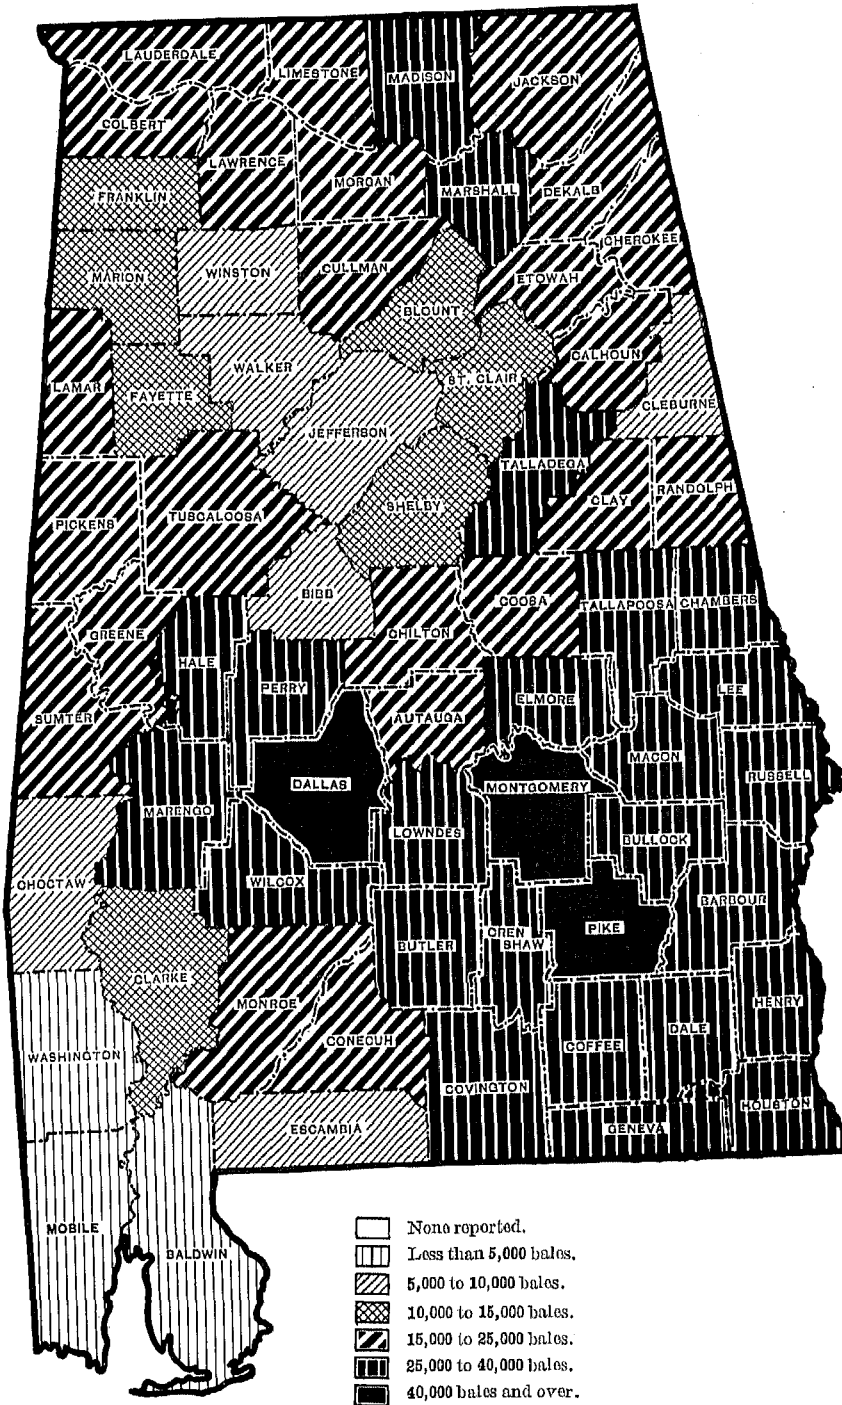

**COTTON-PRODUCING AREA OF THE UNITED STATES IN 1913, AND CENTER OF PRODUCTION: 1859, 1879, 1899, 1906, 1910, 1911, 1912, AND 1913**

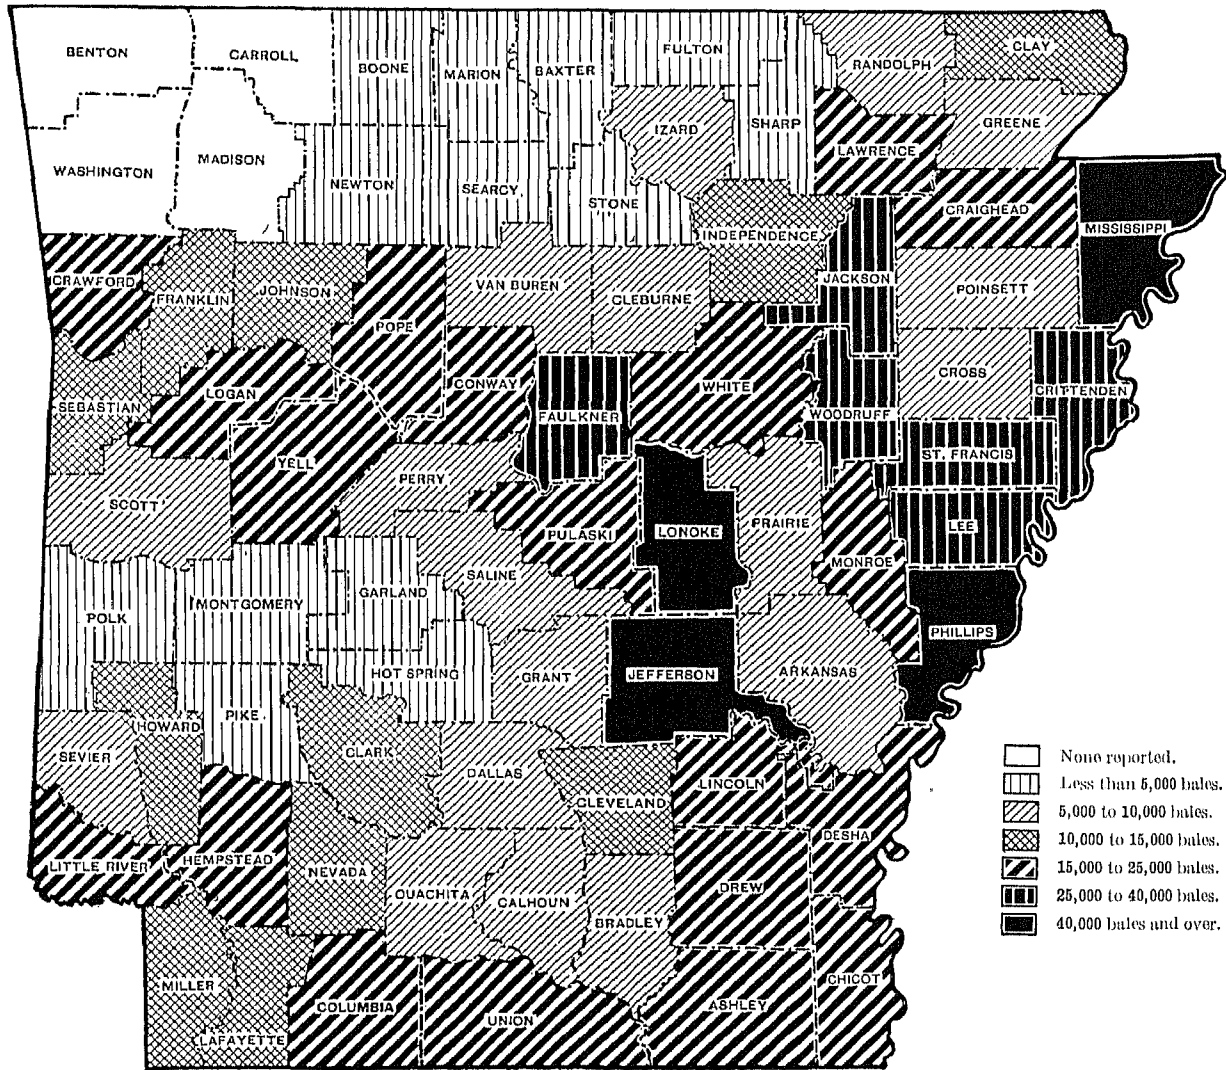

The cotton-producing area of the United States, as shown by the returns of ginneries, is indicated on the map below. Localities producing upland cotton only are represented by diagonal lines, and those producing sea-island or both sea-island and upland, by intersected lines. On Plates No. 459 to No. 467 will be found maps of the principal cotton-producing states, upon which are indicated the relative quantities of cotton produced by counties in 1913. The centers of production in the United States for the crops of 1859, 1879, 1899, 1906, 1910, 1911, 1912, and 1913 are indicated on the map below. The center of production in 1859 was approximately 13 miles southeast of Macon, in Noxubee County, Miss.; in 1879 it was 11 miles south of Columbus, in Lowndes County, in 1899 it was 13 miles southeast of Lexington, in Holmes County, in 1906 it was 4 miles west of Lexington, in Holmes County, in 1910 it was 3 miles southwest of Vaiden, in Carroll County, in 1911 it was in Atala County, 2 1/2 miles southwest of French Camps, in 1912 it was in Sharkey County, 2 miles north of Midnight, and in 1913 it was in Atala County, 10 miles northwest of Kosciusko.

## INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
Center, population, by states: 1880, 1890, 1900, and 1910—Continued.		Coal mining fields: 1909.....	452	Communicants or members, distribution of: 1906.....	480-483, 489-491
Oregon.....	129	Color and nativity of operator, number of farms classified by: 1910.....	324	— distribution of, for cities of 25,000 inhabitants in 1900 and outside such cities: 1906.....	489
Pennsylvania.....	130	Color or race, nativity, and parentage: 1850-1910.....	142	— distribution of, for continental United States, by principal families or denominations: 1890 and 1906....	479
Rhode Island.....	130	— by divisions: 1910.....	143	— distribution of, for each state and territory: 1906.....	480-483
South Carolina.....	130	— by divisions: 1910 and 1900.....	143	— distribution of, for 24 principal cities: 1906.....	490, 491
South Dakota.....	130	— by states: 1910 and 1900.....	144	— distribution of, for 35 principal cities: 1906.....	492
Tennessee.....	131	— in cities having 100,000 inhabitants or more: 1910 and 1900.....	145	— number per 1,000 population for 12 principal families or denominations, for each state and territory: 1906.....	485-488
Texas.....	131	— in urban and rural communities, by divisions: 1910.....	141	Condensed milk. <i>See</i> Butter, etc.	
Utah.....	131	— of males 21 years of age and over, by states: 1910 and 1900.....	221	Confectionery, value of products for leading states: 1909 and 1899.....	423
Vermont.....	131	— of males 21 years of age and over, in urban and rural communities: 1910.....	222	Congregationalists, number of communicants or members per 1,000 population, for each state and territory: 1906.....	486, 488
Virginia.....	131	— of the total population, in certain states having Chinese, Japanese, and Indians: 1910 and 1900.....	141	Copper, value of products, by states: 1909.....	451
Washington.....	132	Colored farmers, average value of farm property per acre for: 1910 and 1900.....	324	Copper, tin, and sheet-iron products, value of products for leading states: 1909 and 1899.....	427
West Virginia.....	132	— average value of farm property per farm for: 1910 and 1900.....	324	Corn, acreage, by states: 1909.....	362
Wisconsin.....	132	— per cent of all land in farms of, operated by colored managers, by states: 1910.....	332	— crop, changes in yield of, per acre, by states: 1899-1909.....	362
Wyoming.....	132	— per cent of all land in farms of, operated by colored owners, by states: 1910.....	331	— production: 1909.....	365
— rural population: 1910.....	133	— per cent of all land in farms of, operated by colored tenants, by states: 1910.....	333	— production: 1849-1909.....	364
— urban population: 1910.....	133	— per cent of all land in farms of, operated by colored tenants, by states: 1910.....	333	— production, by states: 1909 and 1899.....	364
Centers of population, farms, and agricultural products: 1910 and 1900....	388	— per cent of number of all farms operated by, by states: 1910.....	328	Cotton, acreage, by states: 1909.....	384
Coreals, acreage, by states: 1909.....	361	— per cent of number of farms of, operated by colored owners, by states: 1910.....	326	— center of production: 1859, 1879, 1899, 1906, 1908, 1910, 1911, 1912, and 1913.....	458
— center of: 1910 and 1900.....	388	— per cent of number of farms of, operated by colored tenants, by states: 1910.....	327	— domestic, exports for specified years: 1830-1913.....	468
— changes in acreage of all, by states: 1899-1909.....	360, 361	— total number of acres in farms of: 1910 and 1900.....	325	— exported, proportion of supply for 1913 consumed in the United States, held in stocks, and exported, with distribution of exports by countries to which exported.....	468
Cheese. <i>See</i> Butter, etc.		Colored managers, per cent of all land in farms of colored farmers operated by, by states: 1910.....	332	— production: 1909.....	383
Chemicals, value of products for leading states: 1909 and 1899.....	426	Colored owners, per cent of all land in farms of colored farmers operated by, by states: 1910.....	331	— production: 1849-1909.....	375
Chicago metropolitan district: 1909... 438		— per cent of number of farms of colored farmers operated by, by states: 1910.....	326	— production: 1909 and 1899.....	375
Chinese, cities having 500 or more: 1910 and 1900.....	218	Colored owners and part owners, number of farms operated by: 1910.....	329	— quantity consumed, by states: 1913.....	468
— color or race, nativity, and percentage of the total population, in certain states having Japanese, Indians, and: 1910 and 1900.....	141	Colored tenants, number of farms operated by: 1910.....	330	— relative importance of the several countries in the production and consumption of.....	457
Christians. <i>See</i> Disciples, etc.		— per cent of all land in farms of colored farmers operated by, by states: 1910.....	333	Cotton belt, boundaries of, selected plantation area, and counties having 50 per cent or more of negro population: 1910.....	335
Church members. <i>See</i> Communicants, etc.		— per cent of number of farms of colored farmers operated by, by states: 1910.....	327	Cotton consumption, proportion of total, by countries (year ending August 31, 1913).....	457
Cincinnati metropolitan district: 1909. 446		— per cent of number of farms of colored farmers operated by, by states: 1910.....	327	Cotton ginned, by counties: 1913—	
Cities, population of great cities at each census: 1790-1910.....	139	— per cent of number of farms of colored farmers operated by, by states: 1910.....	327	Alabama.....	459
Cities having 500 or more Japanese or Chinese: 1910 and 1900.....	218	Colored tenants, number of farms operated by: 1910.....	330	Arkansas.....	460
Cities of 8,000 inhabitants or more, total population and proportion in, at each census: 1790-1910.....	141	— per cent of all land in farms of colored farmers operated by, by states: 1910.....	330	Florida.....	461
Cities of 30,000 inhabitants or more, map of United States showing location of: 1912.....	470	Colored tenants, number of farms operated by: 1910.....	330	Georgia.....	462
— per cent of total population in, by states: 1912.....	475	— per cent of all land in farms of colored farmers operated by, by states: 1910.....	330		
Cities of 100,000 inhabitants or more, population of: 1910 and 1900.....	141	Colored owners and part owners, number of farms operated by: 1910.....	329		
<i>See also</i> Municipalities.		Colored tenants, number of farms operated by: 1910.....	330		
Citizenship, foreign-born white males 21 years of age and over by country of birth and: 1910.....	222	— per cent of all land in farms of colored farmers operated by, by states: 1910.....	333		
Cleveland metropolitan district: 1909. 443		— per cent of number of farms of colored farmers operated by, by states: 1910.....	327		
Clothing, men's, including shirts, value of products for leading states: 1909 and 1899.....	418	Colored owners and part owners, number of farms operated by: 1910.....	329		
— women's, value of products for leading states: 1909 and 1899.....	418	Colored tenants, number of farms operated by: 1910.....	330		
Coal, anthracite, fields of Pennsylvania: 1909.....	453	— per cent of all land in farms of colored farmers operated by, by states: 1910.....	333		
— value of products, by states: 1909	451	— per cent of number of farms of colored farmers operated by, by states: 1910.....	327		
Coal, bituminous, relative production, by states: 1909.....	453	Columbus, Ohio, manufacturing plants on outskirts of: 1909.....	436		
— value of products, by states: 1909.	451				

INDEX TO ILLUSTRATIONS.

Table with three columns: Description, Plate No., and Description. Rows include entries such as 'Cotton ginned, by counties: 1913', 'Density of total and rural population, by counties: 1910', and 'Divorces, number granted for certain specified causes: 1867-1906'. The table lists various statistical categories and their corresponding plate numbers.

		— per cent of number of all, operated by colored farmers, by states: 1910.....	328		
		— per cent of number, operated by tenants, by states: 1910.....	320		
		— per cent of, operated by tenants, by counties: 1910.....	321		
				Felt goods. <i>See</i> Woolen, etc.	
				Females and males, insane admitted to hospitals: 1910.....	500
				— insane admitted to hospitals suffering from general paralysis or alcoholic psychosis and all other causes: 1910.....	501
				— males to 100 females in urban and rural communities: 1910.....	204
				— proportion of each principal class of population 10 years of age and over, both sexes, males, and females, engaged in gainful occupations: 1910.....	236
				— proportion of females 10 to 13 years of age engaged in gainful occupations, by states: 1910.....	233
				— proportion of females 14 and 15 years of age engaged in gainful occupations, by states: 1910.....	233
				— proportion of males and females of each specified age group engaged in gainful occupations: 1910.....	236

# INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
Females and males, proportion of males and females 10 to 13 and 14 and 15 years of age engaged in gainful occupations, by states: 1910...	231	Foreign-born population, by principal countries of birth, per cent distribution, by divisions: 1910.....	213	Foreign-born whites, per cent illiterate in population 10 years of age and over, by states: 1910.....	224
— proportion of males and females 10 years of age and over engaged in certain gainful occupations: 1910..	234	— by states: 1910 and 1900.....	143	— per cent illiterate in population 10 years of age and over, by states: 1910 and 1900.....	225
— proportion of males and females 10 years of age and over engaged in each general division of gainful occupations: 1910.....	236	— center of: 1880-1910, and centers of urban and rural population: 1910.....	133	— per cent in total population, by counties: 1910.....	152
— proportion of males and females 10 years of age and over engaged in gainful occupations, by states: 1910.	229	— distribution of total population of each state, as born in state, born in other states, or foreign born: 1910.....	210	— per cent in total population, by states: 1910.....	146
— proportion of males and females 10 years of age and over engaged in gainful occupations, by states: 1910 and 1900.....	230	— in 1910, distributed as arriving before or after January 1, 1901....	220	— proportion of, by counties: 1910.	
— proportion of males to females in total population, by counties: 1910.....	202	— natives of principal foreign countries, by states: 1910 and 1900.....	215, 216	See Foreign-born white and native white of foreign or mixed parentage.	
— proportion of males to females in total population, by states: 1910...	203	— per cent of total population of each state born in principal foreign countries: 1910.....	217, 218	Foreign-born whites and native whites of foreign or mixed parentage combined, per cent in total population, by counties: 1910.....	151
— proportion which gainful workers, both sexes, males, and females, of each specified age group constituted of all gainful workers: 1910..	236	Foreign-born white and native white of foreign or mixed parentage, proportion of, by counties: 1910—		— per cent in total population, by states: 1910.....	147
Fertilizer, expenditures of farmers for: 1909.....	358	Arizona.....	153	Foundry and machine-shop products, value of products for leading states: 1909 and 1899.....	427
Fertilizers, value of products, by states: 1909.....	425	California.....	154	Fowls on farms, number, by states: 1910.....	347
— value of products, for leading states: 1909 and 1899.....	425	Colorado.....	155	Fowls raised, value of: 1909 and 1899.	349
Finland. See Russia, etc.		Connecticut.....	156	See also Poultry and Live stock.	
Flaxseed, production: 1909.....	381	Idaho.....	157	Fruits, orchard, production: 1909....	386
Flour mills and gristmills, value of products, by states: 1909.....	421	Illinois.....	158	— small, production: 1909.....	385
Flour mills and gristmills, merchant, value of products for leading states: 1909 and 1899.....	421	Indiana.....	159	Fruits and nuts, value by states: 1909.....	384
Food preparations, value of products for leading states: 1909 and 1899...	423	Iowa.....	160	Gas, illuminating and heating, value of products for leading states: 1909 and 1899.....	426
Forage. See Hay, etc.		Kansas.....	161	— natural, production: 1909.....	455
Foreign white stock, by linguistic groups: 1910.....	219	Maine.....	162	See also Petroleum, etc.	
— by linguistic groups, principal elements of: 1910.....	219	Massachusetts.....	163	Gas fields, natural. See Petroleum, etc.	
— by principal countries of origin: 1910.....	218, 219	Michigan.....	164	Geographic divisions: 1910.....	2
— by principal mother tongues: 1910.....	219	Minnesota.....	165	German Evangelical Synod of North America, number of communicants or members per 1,000 population, for each state and territory: 1906..	486, 488
— by principal mother tongues, elements of: 1910.....	219	Missouri.....	166	Germany, natives of, by states: 1910 and 1900.....	215
Foreign-born population, by country of birth: 1910.....	211	Montana.....	167	— per cent of total population of each state born in: 1910.....	217
— by principal countries of birth: 1850-1910.....	211	Nebraska.....	168	Governmental cost payments. See Payments, governmental cost.	
— by principal countries of birth: 1910 and 1900.....	211	Nevada.....	169	Governmental costs, principal, per capita net payments for, of 146 cities: 1902-1912.....	473
— by principal countries of birth, by divisions: 1910 and 1900.....	214	New Hampshire.....	170	Granite, value of products, by states: 1909.....	451
— by principal countries of birth, per cent distribution: 1850, 1870, 1890, and 1910.....	212	New Jersey.....	171	Grapes, production: 1909.....	387
— by principal countries of birth, per cent distribution: 1910 and 1900.....	212	New Mexico.....	172	Gristmills. See Flour mills, etc.	
		New York.....	173	Hats, wool. See Woolen, etc.	
		North Dakota.....	174	Hay and forage, acreage, by states: 1909.....	368
		Ohio.....	175	— production: 1909.....	373
		Oregon.....	176	Homes, all, proportion owned free, owned encumbered, and rented, by states: 1910.....	228
		Pennsylvania.....	177	— farm, proportion owned free, owned encumbered, and rented, by states: 1910.....	228
		Rhode Island.....	178		
		South Dakota.....	179		
		Utah.....	180		
		Vermont.....	181		
		Washington.....	182		
		Wisconsin.....	183

		Foreign-born white males 21 years of age and over, by citizenship and country of birth: 1910.....	222		
		Foreign-born white, native white and, insane admitted to hospitals: 1910.	500		
		Foreign-born white population, distribution by age periods of native white, native negro, and: 1910....	204		
		— 10 years of age and over unable to speak English: 1910 and 1900....	226		
		Foreign-born whites, distribution by age periods and sex: 1910.....	206		

## INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
Hops, production: 1909.....	382	Increase or decrease of total and rural population, per cent of, by counties: 1900-1910—Continued.		Indians, color or race, nativity, and parentage of the total population in certain states having Chinese, Japanese, and: 1910 and 1900.....	141
Horses and mules, number on farms and ranges: 1910.....	343	Delaware.....	25	Industries, value of products for groups of: 1909, 1904, and 1899....	414
Horses, mules, and asses and burros: 1910 and 1900.....	341	Florida.....	26	— leading, percentage of total value of products reported for: 1909.....	415
— on farms, number, by states: 1910.....	342	Georgia.....	27	— value of products: 1909 and 1899.....	415
Hosiery and knit goods, value of products, by states: 1909.....	420	Hawaii (total).....	28	Insane admitted to hospitals, males and females: 1910.....	500
— value of products, for leading states: 1909 and 1899.....	420	Idaho.....	29	— males and females, suffering from general paralysis or alcoholic psychosis, and all other causes: 1910..	501
Illiterates, per cent in population 10 years of age and over, by states: 1910 and 1900.....	223-225	Illinois.....	30	— native white and foreign-born white: 1910.....	500
Implements and machinery on farms, value of: 1850-1910.....	251	Indiana.....	31	— number admitted, per 100,000 population, by states: 1910.....	502
See also Farm implements and machinery.		Iowa.....	32	— number admitted, per 100,000 population of the same age: 1910...	503
Improved land in farms: 1910.....	243	Kansas.....	33	— number admitted, per 100,000 population of the same age, race, and nativity: 1910.....	503
— average acreage per farm, by counties: 1910.....	244	Kentucky.....	34	— number admitted during 1910 and number enumerated January 1, 1910, by age periods.....	499
— per cent of increase in number of acres of, by states: 1890-1900.....	245	Louisiana.....	35	— number enumerated, per 100,000 population, by states: January 1, 1910.....	502
— per cent of increase in number of acres of, by states: 1900-1910.....	245	Maine (total).....	36	— number of white and negro in the North and South per 100,000 population, by age periods: 1910.....	499
— per cent of total land area, by counties: 1910.....	242	Maryland.....	37	— proportion of, enumerated January 1, to adult population: 1904 and 1910.....	499
— per cent operated by colored farmers, by states: 1910.....	334	Massachusetts (total).....	36	Interstate migration, distribution of natives of each state as living in state or living in other states: 1910..	210
— per cent operated by tenants, by states: 1910.....	322	Michigan.....	38	— distribution of total population of each state as born in state, born in other states, or foreign born: 1910.....	210
— proportion of land in farms, improved and in crops, with acreage reports, to total land area: 1910....	352	Minnesota.....	39	— net gain or net loss through: 1910	209
— proportion to total land area, by states: 1910.....	241	Mississippi.....	40	— per cent of native population living in each state born in other states: 1910.....	208
— relative proportion of improved and unimproved land area in farms to total land area of United States: 1850-1910.....	237	Missouri.....	41	— per cent of population born in each state living in other states: 1910.....	208
— total land area and area of unimproved, and: 1910 and 1900.....	238	Montana.....	42	— states having gained or lost by: 1910.....	210
— total land area and unimproved, and: 1850-1910.....	238	Nebraska.....	43	See also Migration.	
See also Farm land, Land in farms, and Unimproved land in farms.		Nevada.....	44	Ireland, natives of, by states: 1910 and 1900.....	215
Increase in total population and in white and negro population, per cent of: 1790-1910.....	135	New Hampshire (total).....	45	— per cent of total population of each state born in: 1910.....	217
Increase of population in United States and principal countries of Europe: 1800-1910.....	16	New Jersey.....	46	Iron, value of products, by states: 1909.....	456
— per cent of, by counties: 1900-1910.....	18	New Mexico.....	47	Iron ore, production, by principal states: 1909, 1899, 1889, and 1879....	456
— per cent of, by states: 1890-1900.....	17	New York.....	48	— production, per cent of, by states: 1909.....	456
— per cent of, by states: 1900-1910.....	17	North Carolina.....	49	— production, United States and principal producing regions: 1889-1909.....	455
Increase or decrease of total and rural population, per cent of, by counties: 1900-1910—		North Dakota.....	50		
Alabama.....	19	Ohio.....	51		
Alaska (districts).....	28	Oklahoma.....	52		
Arizona.....	20	Oregon.....	53		
Arkansas.....	21	Pennsylvania.....	54		
California.....	22	Porto Rico.....	55		
Colorado.....	23	Rhode Island (total).....	24		
Connecticut (total).....	24	South Carolina.....	56		
		South Dakota.....	57		
		Tennessee.....	58		
		Texas (total).....	59		
		Texas (rural).....	60		
		Utah.....	61		
		Vermont (total).....	45		
		Virginia.....	62		
		Washington.....	63		
		West Virginia.....	64		
		Wisconsin.....	65		
		Wyoming.....	66		
		Indebtedness, net, increases in and net payments for interest by 146 cities: 1902-1912.....	474		
		— net, of 146 cities, the United States, and New York city: 1902-1912.....	472		
		— net, per capita, of cities with highest and lowest per capita in groups of cities with specified population: 1912.....	474		
		— net, per capita, of New York city, 146 cities, and the United States: 1902-1912.....	472		
		— per capita, increase of, with increase in size of cities: 1912.....	474		
		Indian population, distribution of, by states: 1910.....	201		
		— proportion of full-bloods in, by states: 1910.....	201		

INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
Irrigation, per cent of total land area irrigated and per cent of number of farms irrigated, by counties: 1909—		Land in farms, acreage of all, classified by character of tenure of operator: 1910.....	315	Lumber, value of products, by states: 1909.....	435
Arizona.....	390	— average value per acre, by counties: 1910.....	258	— value of products, for leading states: 1909 and 1899.....	435
California.....	391	— improved: 1910.....	243	Lutherans, number of communicants or members per 1,000 population, for each state and territory: 1906. 485, 487	
Colorado.....	392	— per cent improved formed of total land area, by counties: 1910..	242	Machinery. <i>See</i> Implements, etc.	
Idaho.....	393	— per cent of all, operated by colored farmers, by states: 1910.....	334	Machine-shop products. <i>See</i> Foundry, etc.	
Montana.....	394	— per cent of increase in number of acres of improved, by states: 1890-1900.....	245	Males, foreign-born white, by citizenship and country of birth: 1910....	222
Nevada.....	395	— per cent of increase in number of acres of improved, by states: 1900-1910.....	245	— insane admitted to hospitals suffering from general paralysis or alcoholic psychosis and all other causes: 1910.....	501
New Mexico.....	396	— per cent of total land area, by counties: 1910.....	239	— proportion of each principal class of population 10 years of age and over, both sexes, males, and females, engaged in gainful occupations: 1910.....	236
Oregon.....	397	— per cent operated by tenants, by states: 1910.....	320	— proportion of males and females of each specified age group engaged in gainful occupations: 1910.....	236
Utah.....	398	— proportion of, improved and in crops, with acreage reports, to total land area: 1910.....	352	— proportion of males and females of each specified age group engaged in gainful occupations: 1910.....	236
Washington.....	399	— proportion of improved to total land area, by states: 1910.....	241	— proportion of males and females 10 to 13 and 14 and 15 years of age engaged in gainful occupations, by states: 1910.....	231
Wyoming.....	400	— total land area and improved and unimproved: 1850-1910.....	238	— proportion of males and females 10 years of age and over engaged in certain gainful occupations: 1910..	234
Irrigation projects, approximate location and extent of the land included in: 1910—		Land in farms of colored farmers, per cent of all, operated by colored managers, by states: 1910.....	332	— proportion of males and females 10 years of age and over engaged in each general division of gainful occupations: 1910.....	236
Arizona.....	402	— per cent of all, operated by colored owners, by states: 1910.....	331	— proportion of males and females 10 years of age and over engaged in gainful occupations, by states: 1910 and 1900.....	230
California.....	406	— per cent of all, operated by colored tenants, by states: 1910.....	333	— proportion of males 10 to 13 years of age engaged in gainful occupations, by states: 1910.....	232
Colorado.....	401	Land in farms of white farmers, per cent of all, operated by white managers, by states: 1910.....	332	— proportion of males 14 and 15 years of age engaged in gainful occupations, by states: 1910.....	232
Idaho.....	403	— per cent of all, operated by white owners, by states: 1910.....	331	— proportion to females in total population, by counties: 1910.....	202
Kansas.....	408	— per cent of all, operated by white tenants, by states: 1910.....	333	— proportion to females in total population, by states: 1910.....	203
Montana.....	403	<i>See also</i> Farm land, Improved land in farms, and Unimproved land in farms.		— proportion which gainful workers, both sexes, males, and females, of each specified age group, constituted of all gainful workers: 1910..	236
Nebraska.....	408	Latter-day Saints, number of communicants or members per 1,000 population, for each state and territory: 1906.....	486, 488	Males and females, insane admitted to hospitals: 1910.....	500
Nevada.....	404	Lead and zinc, value of products, by states: 1909.....	451	Males to 100 females in urban and rural communities: 1910.....	204
New Mexico.....	402	Leather, tanned, curried, and finished, value of products for leading states: 1909 and 1899.....	418	Males 21 years of age and over, color or race, nativity, and parentage, by states: 1910 and 1900.....	221
North Dakota.....	407	Limestone, value of products, by states: 1909.....	451	— color or race, nativity, and parentage, in urban and rural communities: 1910.....	222
Oregon.....	405	Linguistic groups, foreign white stock by: 1910.....	219	Managers. <i>See</i> Colored managers and White managers.	
South Dakota.....	407	— principal elements of foreign white stock by: 1910.....	219	Manufacture, value added by, by states: 1909.....	412
Utah.....	404	Live stock, expenditures of farmers for feed for: 1909.....	357		
Washington.....	405	Live stock (domestic animals, poultry, and bees) on farms, value of: 1850-1910.....	251		
Wyoming.....	401				
Italy, natives of, by states: 1910 and 1900.....	216				
— per cent of total population of each state born in: 1910.....	217				
Japanese, cities having 500 or more: 1910 and 1900.....	218				
— color or race, nativity, and percentage of the total population in certain states having Chinese, Indians, and: 1910 and 1900.....	141				
Knit goods. <i>See</i> Hosiery, etc.					
Labor, expenditures of farmers for: 1909.....	356				
Land area, average acreage of improved land per farm, by counties: 1910.....	244				
— per cent irrigated, by counties: 1909. <i>See</i> Irrigation.					
— total, and area of improved and unimproved land in farms: 1910 and 1900.....	238				
— total, and improved and unimproved land in farms: 1850-1910.....	238				
Land area in farms, per cent, by counties: 1910. <i>See</i> Farms, per cent of land area in farms and average value of farm land per acre, by counties.					
— relative proportion of improved and unimproved, to total land area of the United States: 1850-1910....	237				

INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
Manufactured products, value of, for 48 leading cities: 1909.....	411	Mining industries, value of products, per cent distribution, by industries: 1909.....	451	Native whites of native parentage, per cent illiterate in population 10 years of age and over, by states: 1910...	223
— value of all, and proportional value for each division: 1909, 1904, and 1899.....	409	— value of products of leading industries, by states: 1909.....	451	— per cent illiterate in population 10 years of age and over, by states: 1910 and 1900.....	225
— value of all, and proportional value of each group: 1909, 1904, and 1899.....	413	Minneapolis-St. Paul metropolitan district: 1909.....	448	— per cent in white population, by states: 1910.....	146
Manufacturing industries, value of products, by states: 1909 and 1899..	410	Mortgaged farms, number: 1910.....	323	Nativity. <i>See</i> Color or race, nativity, and parentage.	
— value of products for groups of industries: 1909, 1904, and 1899....	414	— number of farms operated by owners free from mortgage and mortgaged: 1910.....	322	Natural gas. <i>See</i> Gas, natural.	
Manufacturing plants on the outskirts of Richmond, Va., Columbus, Ohio, and Pueblo, Colo.: 1909.....	436	Mother tongues, principal, elements of foreign white stock by: 1910.....	219	Natural gas fields. <i>See</i> Petroleum, etc.	
Marital condition, of population, by age periods: 1910.....	207	— principal, foreign white stock by: 1910.....	219	Neat cattle, number on farms and ranges: 1910.....	337
— of population 15 years of age and over, by divisions: 1910.....	207	Mules. <i>See</i> Horses, etc.		— <i>See also</i> Cattle on farms.	
— of principal classes of population, by age periods: 1910.....	207	Municipalities, per cent of total population in, having over 30,000 inhabitants, in those having from 8,000 to 30,000 inhabitants, and outside such municipalities: 1790-1912.....	471	Negro population, by states: 1910 and 1900.....	185
Marriages, annual number of: 1887-1906.....	493	— population of continental United States in, having over 30,000 inhabitants, in those having from 8,000 to 30,000 inhabitants, and outside such municipalities: 1790-1912.....	471	— center of: 1790 and 1880 to 1910.....	134
— average annual number per 10,000 adult unmarried population, for states and territories: 1900.....	493, 494	— proportion of the population in municipalities with 2,500 or more inhabitants, by counties: 1910.....	140	— counties in Southern states having at least 50 per cent of their population negro: 1860, 1880, 1900, and 1910.....	189
— per 10,000 estimated population for geographic divisions, by single years: 1887-1906.....	493	— <i>See also</i> Cities.		— number of white and negro insane admitted to hospitals in North and South per 100,000 population, by age periods: 1910.....	499
Meat packing industry. <i>See</i> Slaughtering, etc.		Native negro population, distribution by age periods, of the native white, native negro, and foreign-born white population: 1910.....	204	— per cent of increase in total, white, and: 1790-1910.....	135
Median lines, center of area, center of population, and: 1910.....	118	— <i>See also</i> Negro population.		— selected plantation area, boundaries of cotton belt, and counties having 50 per cent or more of negro population: 1910.....	335
Median point: 1880-1910, and center of population at each census: 1790-1910.....	116	Native population, distribution of natives of each state as living in state or living in other states: 1910.....	210	— in cities having 100,000 inhabitants or more: 1910 and 1900.....	185
Metals, precious, deep mines, value of products, by states: 1909.....	451	— migration from and to each state: 1910.....	209	Negroes, counties having at least 1,000 negroes in 1910, which had a higher percentage of negroes to total population in 1910 than in 1900.....	187
Methodists, number of communicants or members per 1,000 population, for each state and territory: 1906....	485, 488	— per cent living in each state born in other states: 1910.....	208	— distribution by age periods and sex: 1910.....	206
Metropolitan districts: 1909—		Native white and foreign-born white insane admitted to hospitals: 1910.....	500	— per cent illiterate in population 10 years of age and over, by states: 1910.....	224
Baltimore.....	447	Native white population, distribution by age periods of the native white, native negro, and foreign-born white population: 1910.....	204	— per cent illiterate in population 10 years of age and over, by states: 1910 and 1900.....	225
Boston.....	441	Native whites of foreign or mixed parentage, counties which had a higher percentage to total population in 1910 than in 1900.....	150	— per cent in total population, by counties: 1910.....	186
Buffalo.....	444	— distribution by age periods and sex: 1910.....	206	— per cent in total population, by counties: 1910—	
Chicago.....	438	Native white population, distribution by age periods of the native white, native negro, and foreign-born white population: 1910.....	204	Alabama.....	190
Cincinnati.....	446	Native whites of foreign or mixed parentage, counties which had a higher percentage to total population in 1910 than in 1900.....	149	Arkansas.....	191
Cleveland.....	443	— per cent in total population, by counties: 1910.....	147	Florida.....	192
Detroit.....	445	— per cent in total population, by states: 1910.....	147	Georgia.....	193
Minneapolis-St. Paul.....	448	— proportion of, by counties: 1910.		Kentucky.....	194
New York city.....	437	<i>See</i> Foreign-born white and native white of foreign or mixed parentage.		Louisiana.....	195
Philadelphia.....	439	Native whites of native parentage, counties which had a higher percentage to total population in 1910 than in 1900.....	148	Maryland.....	195
Pittsburgh.....	440	— distribution by age periods and sex: 1910.....	206	Mississippi.....	196
St. Louis.....	442	Native whites of native parentage, per cent illiterate in population 10 years of age and over, by states: 1910.....	146	North Carolina.....	197
San Francisco-Oakland.....	449	— per cent in total population, by states: 1910.....	146	Oklahoma.....	198
Migration, states having gained or lost by all: 1910.....	210	— per cent in total population, by states: 1910.....	147	South Carolina.....	197
Migration of native population from and to each state: 1910.....	209	— <i>See</i> Foreign-born white and native white of foreign or mixed parentage.		Tennessee.....	194

Mining industries, value of products: 1909.....	450	— distribution by age periods and sex: 1910.....	206	Virginia.....	200
— value of products: 1909 and 1902	451			West Virginia.....	200
— value of products, by states: 1909 and 1902.....	450			— per cent in total population, by states: 1910.....	185
— value of products, per cent distribution, by divisions: 1909.....	450				

INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
Negroes, proportion to total population in each of the Southern states: 1790-1910 .....	188	Oil, cottonseed, and cake, value of products for leading states: 1909 and 1899 .....	423	Phosphate rock, value of products, by states: 1909 .....	451
<i>See also</i> Native negro population.		Orchard fruits. <i>See</i> Fruits, orchard.		Pig-iron production, by states: 1909 ..	429
New York city, net indebtedness of 146 cities, the United States, and: 1902-1912 .....	472	Owners, number of farms operated by, free from mortgage and mortgaged: 1910 .....	322	— for leading states: 1909 and 1899 ..	429
— net payments for outlays for the United States and: 1902-1912 .....	472	— and part owners, number of farms operated by: 1910 .....	316	Pittsburgh metropolitan district: 1909 .....	410
— per capita net indebtedness, 146 cities, the United States and: 1902-1912 .....	472	<i>See also</i> Colored owners and White owners.		Plantation area, selected, boundaries of cotton belt, and counties having 50 per cent or more of negro population: 1910 .....	335
New York city metropolitan district: 1909 .....	437	Paralysis, general, insane admitted to hospitals suffering from, or alcoholic psychosis, and all other causes: 1910 ..	501	Population, all classes, per cent illiterate in population 10 years of age and over, by states: 1910 .....	223
Newfoundland. <i>See</i> Canada, etc.		Parentage. <i>See</i> Color or race, nativity, and parentage.		— all classes, per cent illiterate in population 10 years of age and over, by states: 1910 and 1900 .....	225
Norway, Sweden, and Denmark, natives of, by states: 1910 and 1900 ..	215	Payments, governmental cost, net, and net revenue receipts of 146 cities: 1902-1912 .....	471	— born in each state living in other states, per cent of: 1910 .....	208
— per cent of total population of each state born in: 1910 .....	217	— governmental cost, net, of the United States and 146 cities: 1902-1912 .....	472	— born in state, born in other states, or foreign born: 1910 .....	210
Nuts. <i>See</i> Fruits, etc.		— governmental cost, per capita, and per capita net revenue receipts for cities with highest and lowest per capita governmental cost payments in groups of cities with specified population: 1912 .....	473	— center of: 1910 .....	117
Oats, acreage, by states: 1909 .....	363	— governmental cost, net, of the United States and 146 cities: 1902-1912 .....	472	— center of, at each census: 1790-1910, and median point: 1880-1910 ..	116
— production: 1909 .....	367	— governmental cost, per capita, and per capita net revenue receipts for groups of cities with specified population: 1912 .....	473	— center of, at the close of each decade: 1790-1910, center of foreign-born population: 1880-1910, and centers of urban and rural population: 1910 .....	133
— production: 1849-1909 .....	364	— governmental cost, per capita, and per capita net revenue receipts for groups of cities with specified population: 1912 .....	473	— center of, by states: 1880, 1890, 1900, and 1910. <i>See</i> Center of population, by states.	
— production: 1909 and 1899 .....	364	— for expenses and interest, and for outlays, and revenue receipts, per capita, in groups of cities with specified excess of revenue receipts over payments for expenses and interest: 1912 .....	471	— center of, center of area, and median lines: 1910 .....	118
Occupations, gainful, proportion of each principal class of population 10 years of age and over, both sexes, males, and females, engaged in: 1910 .....	236	— for expenses and revenue receipts of the water-supply systems of 146 cities: 1902-1912 .....	474	— centers of, farms, and agricultural products: 1900 and 1910 .....	388
— proportion of females 10 to 13 years of age engaged in, by states: 1910 .....	233	— for interest, net, increases in net indebtedness and, by 146 cities: 1902-1912 .....	474	— density of, by counties: 1910 .....	68
— proportion of females 14 and 15 years of age engaged in, by states: 1910 .....	233	— for outlays, net, for the United States and New York city: 1902-1912 .....	472	— density of, total and rural, by counties: 1910. <i>See</i> Density of total and rural population.	
— proportion of males 10 to 13 years of age engaged in, by states: 1910 ..	232	— for principal general departmental expenses, increase in per capita: 1902-1912 .....	473	— increase, in the United States and principal countries of Europe: 1800-1910 .....	16
— proportion of males 14 and 15 years of age engaged in, by states: 1910 .....	232	— for principal governmental cost, per capita, net, of 146 cities: 1902-1912 .....	473	— increase, per cent of, by counties: 1900-1910 .....	18
— proportion of males and females of each specified age group engaged in: 1910 .....	236	— for specified general departmental expenses, per capita, net, by groups of cities with specified population: 1912 .....	473	— increase, per cent of, by states: 1890-1900 .....	17
— proportion of males and females 10 years of age and over engaged in, by states: 1910 and 1900 .....	230	Peas, dry, and beans, production: 1909 .....	378	— increase, per cent of, by states: 1900-1910 .....	17
— proportion of males and females 10 years of age and over engaged in certain: 1910 .....	234	Petroleum, production, by fields: 1909 .....	455	— increase or decrease, per cent of, by counties: 1900-1910. <i>See</i> Increase or decrease of total and rural population.	
— proportion of males and females each general division of: 1910 .....	236	Petroleum and natural gas, value of products, by states: 1909 .....	455	— of cities having, in 1910, 100,000 inhabitants or more: 1910 and 1900 ..	141
— proportion of males and females 10 to 13 and 14 and 15 years of age engaged in, by states: 1910 .....	231	Petroleum and natural gas fields: 1909 .....	454	— of continental United States, in municipalities having over 30,000 inhabitants, in those having from 8,000 to 30,000 inhabitants, and outside such municipalities: 1790-1912 .....	471
— proportion of population 10 years of age and over engaged in, for both sexes in 1910, by states .....	229	Philadelphia metropolitan district: 1909 .....	439	— per square mile: 1790-1910 .....	135
— proportion of population 10 years of age and over, in each state, engaged in each general division of occupations: 1910 .....	235			— per square mile, by counties: 1910 .....	68
— proportion which gainful workers, both sexes, males, and females, of each specified age group constituted of all gainful workers: 1910 ..	236			— per square mile, by states: 1910 and 1900 .....	67, 135
				— proportion of, in municipalities with 2,500 or more inhabitants, by counties: 1910 .....	140

INDEX TO ILLUSTRATIONS.

	Plate No.
Population, 10 years of age and over, in each state, engaged in each general division of occupations: 1910.....	235
— 10 years of age and over, proportion engaged in gainful occupations for both sexes in 1910 and 1900, and for each sex in 1910, by states.....	229
— 10 years of age and over, proportion of each principal class, both sexes, males, and females, engaged in gainful occupations: 1910.....	236
— total, and its elements at each census: 1850-1910.....	142
— total, and proportion in cities of 8,000 inhabitants or more at each census: 1790-1910.....	141
— total, of great cities at each census: 1790-1910.....	139
— total, per cent in municipalities having over 30,000 inhabitants, in those having from 8,000 to 30,000 inhabitants, and outside such municipalities: 1790-1912.....	471
— total, per cent of increase in white, negro, and: 1790-1910.....	135
Potatoes, production: 1909.....	376
— production: 1909 and 1899.....	375
<i>See also Sweet potatoes and yams.</i>	
Poultry, number on farms and ranges: 1910.....	348
<i>See also Fowls and Live stock, etc.</i>	
Precious metals. <i>See Metals, etc.</i>	
Precipitation, normal annual, in the United States: 1870-1901.....	389
Presbyterians, number of communicants or members per 1,000 population for each state and territory: 1906.....	485, 488
Preserving. <i>See Canning, etc.</i>	
Products, value of. <i>See Value of products.</i>	
Property tax levies, increase of, with increase in size of cities: 1912.....	475
Protestant, proportion of population reported as Protestant, Roman Catholic, and "all other" church members, and proportion not reported as church members, for continental United States: 1890 and 1906.....	479
— proportion of population reported as Protestant, Roman Catholic, and "all other" church members, and proportion not reported as church members, for each state and territory: 1906.....	484
— proportion of population reported as Protestant, Roman Catholic, and "all other" church members, for 35 principal cities in detail: 1906.....	492
Protestant Episcopal Church, number of communicants or members per 1,000 population, for each state and territory: 1906.....	480, 488
Psychosis. <i>See Alcoholic psychosis.</i>	

	Plate No.
Pueblo, Colo., manufacturing plants on outskirts of: 1909.....	436
Race. <i>See Color or race, nativity, and parentage.</i>	
Receipts from sale of feedable crops: 1909.....	359
Receipts, net, per capita, from principal revenues: 1902-1912.....	473
Reformed bodies, number of communicants or members per 1,000 population, for each state and territory: 1906.....	486, 487
Registration area for deaths, death rates from important causes of death in the registration area of the United States: 1900-1912.....	478
— general death rates of the United States (registration area) and certain foreign countries: 1900-1911....	477
— growth of: 1880-1913.....	476
Religious bodies:	
Baptist.....	485, 487
Congregationalist.....	486, 488
Disciples or Christians.....	485, 488
German Evangelical Synod of North America.....	486, 488
Latter-day Saints.....	486, 488
Lutheran.....	485, 487
Methodist.....	485, 488
Presbyterian.....	485, 488
Protestant.....	479, 484, 492
Protestant Episcopal Church.....	486, 488
Reformed bodies.....	486, 487
Roman Catholic.....	479, 484, 485, 487, 492
United Brethren.....	486, 487
Revenue receipts, net, and net governmental cost payments of 146 cities: 1902-1912.....	471
— per capita, and per capita payments for expenses and interest, and for outlays in groups of cities with specified excess of revenue receipts over payments for expenses and interest: 1912.....	471
— per capita net, and governmental cost payments for cities with highest and lowest per capita governmental cost payments in groups of cities with specified population: 1912.....	473
— per capita net, and governmental cost payments for groups of cities with specified population: 1912.....	473
Revenue receipts and payments, for expenses of the water-supply systems of 146 cities: 1902-1912.....	474
Revenues, principal, per capita net receipts from: 1902-1912.....	473
Rice, production: 1909.....	379
Richmond, Va., manufacturing plants on outskirts of: 1909.....	436
Rolling mills. <i>See Steel works, etc.</i>	
Roman Catholics, number of communicants or members per 1,000 population, for each state and territory: 1906.....	485, 487

	Plate No.
Roman Catholics, proportion of population reported as Roman Catholic, Protestant, and "all other" church members, and proportion not reported as church members, for continental United States: 1890 and 1906.....	479
— proportion of population reported as Roman Catholic, Protestant, and "all other" church members, and proportion not reported as church members, for each state and territory: 1906.....	484
— proportion of population reported as Roman Catholic, Protestant, and "all other" church members, and proportion not reported as church members, for 35 principal cities in detail: 1906.....	492
Rosin. <i>See Turpentine, etc.</i>	
Rural communities, color or race, nativity, and parentage in, by divisions: 1910.....	141
— color or race, nativity, and parentage of males 21 years of age and over in urban and: 1910.....	222
— males to 100 females in urban and: 1910.....	204
Rural population, centers of urban and: 1910; center of population at the close of each decade: 1790-1910; and center of foreign-born population: 1880-1910.....	133
— density of total and, by counties: 1910. <i>See Density of total and rural population.</i>	
— distribution at each census: 1790-1910—	
1790.....	3
1800.....	4
1810.....	5
1820.....	6
1830.....	7
1840.....	8
1850.....	9
1860.....	10
1870.....	11
1880.....	12
1890.....	13
1900.....	14
1910.....	15
— distribution by age periods, of urban and, by divisions: 1910.....	205
— per cent of increase, by states: 1900-1910.....	138
— per cent of increase or decrease, by counties: 1900-1910. <i>See Increase or decrease of total and rural population.</i>	
— urban and: 1880-1910.....	135
Russia and Finland, natives of, by states: 1910 and 1900.....	216
— per cent of total population of each state born in: 1910.....	217
Rye, production: 1909.....	370
— production: 1909 and 1899.....	368
St. Louis metropolitan district: 1909.....	442
San Francisco-Oakland metropolitan district: 1909.....	449

INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
School attendance, per cent in total population 6 to 20 years of age: 1909-10.....	222	Tenants, per cent of number of farms operated by, by states: 1910.....	320	Value added by manufacture, by states: 1909.....	412
— per cent in total population and in certain classes 6 to 20 years of age: 1909-10.....	222	<i>See also</i> Colored tenants and White tenants.		Value of products, all manufactured, and proportional value for each division: 1909, 1904, and 1899....	409
Schools, expenses of, averages per 100 inhabitants of the expenses for stated objects of the schools, in groups of cities with specified population: 1912.....	475	Tenants, cash, number of farms operated by: 1910.....	319	— all manufactured, and proportional value of each group: 1909, 1904, and 1899.....	413
— averages per 100 inhabitants of the expenses of stated kinds of, in groups of cities with specified population: 1912.....	475	Tenants, share, number of farms operated by: 1910.....	318	— for groups of industries: 1909, 1904, and 1899.....	414
— per cent distribution for stated objects, in groups of cities with specified population: 1912.....	475	Tenure of operator, acreage of all land in farms, classified by character of: 1910.....	315	— for leading industries: 1909 and 1899.....	415
— per cent distribution of expenses of three kinds of schools for the maintenance of each of those kinds, in groups of cities with specified population: 1912.....	475	— number of farms, classified by character of: 1910.....	314	— manufactured, for 48 leading cities: 1909.....	411
Scotland. <i>See</i> England, etc.		<i>See also</i> Farm tenure.		— manufacturing industries, by states: 1909 and 1899.....	410
Sex. <i>See</i> Age and sex and Age periods and sex.		Throwsters. <i>See</i> Silk and silk goods, etc.		— mining industries: 1909 and 1902.....	451
Share tenants. <i>See</i> Tenants, share.		Tile. <i>See</i> Brick, etc.		— mining industries, by states: 1909.....	450
Sheep, number on farms and ranges: 1910.....	344	Tin products. <i>See</i> Copper, etc.		— mining industries, by states: 1909 and 1902.....	450
Sheep on farms: 1910 and 1900.....	341	Tobacco, production: 1909.....	372	— reported for leading industries, percentage of total: 1909.....	415
— number, by states: 1910.....	342	— production: 1909 and 1899.....	368	<i>See also</i> individual industries.	
Sheet-iron products. <i>See</i> Copper, etc.		Turpentine and rosin, value of products for leading states: 1909.....	426	Wage earners, average number, by industries employing over 40,000: 1909.....	417
Shirts. <i>See</i> Clothing, men's, etc.		Unimproved land in farms, relative proportion of improved and, to total land area of United States: 1850-1910.....	237	— average number, by states: 1909.....	410
Shoes. <i>See</i> Boots, etc.		Unimproved land in farms, total land area and area of improved and: 1910 and 1900.....	238	— average number, by states: 1909 and 1899.....	416
Silk and silk goods, including throwsters, value of products for leading states: 1909 and 1899.....	419	— total land area and improved and: 1850 and 1910.....	238	— average number, for 48 leading cities: 1909.....	411
Slaughtering and meat packing industry, value of products, by states: 1909.....	424	<i>See also</i> Farm land, Land in farms, and Improved land in farms.		Wagon industry. <i>See</i> Carriage, etc.	
Slaughtering and meat packing industry, value of products for leading states: 1909 and 1899.....	424	United Brethren, number of communicants or members per 1,000 population, for each state and territory: 1906.....	486, 487	Wales. <i>See</i> England, etc.	
Steel works and rolling mills, finished rolled products and forgings: 1909 and 1899.....	431	United States, geographic divisions: 1910.....	2	Water-supply systems, revenue receipts and payments for expenses of, of 146 cities: 1902-1912.....	474
— location of establishments: 1909.....	430	— original area and acquisitions of territory: 1790-1910.....	1	Wheat, acreage, by states: 1909.....	363
— steel production: 1909 and 1899.....	431	Urban communities, color or race, nativity, and parentage in, by divisions: 1910.....	141	— production: 1909.....	366
Sugar beets, production: 1909.....	380	— color or race, nativity, and parentage of males 21 years of age and over in rural and: 1910.....	222	— production: 1849-1909.....	364
Sweden. <i>See</i> Norway, etc.		— males to 100 females in rural and: 1910.....	204	— production: 1909 and 1899.....	364
Sweet potatoes and yams, production: 1909.....	377	Urban population, centers of rural and: 1910; center of population at the close of each decade: 1790-1910; and center of foreign-born population: 1880-1910.....	133	White farmers, average value of farm property per acre for: 1910 and 1900.....	324
— production: 1909 and 1899.....	375	— distribution by age periods, of rural and, by divisions: 1910..	205	— average value of farm property per farm for: 1910 and 1900.....	324
<i>See also</i> Potatoes.		— per cent in total population, by states: 1880-1910.....	137	— per cent of all land in farms of, operated by white managers, by states: 1910.....	332
Swine, number on farms and ranges: 1910.....	346	— per cent in total population, by states: 1900.....	136	— per cent of all land in farms of, operated by white owners, by states: 1910.....	331
Swine on farms: 1910 and 1900.....	345	— per cent in total population, by states: 1910.....	136	— per cent of all land in farms of, operated by white tenants, by states: 1910.....	333
— number, by states: 1910.....	347	— per cent in total population, by states: 1910 and 1900.....	135	— per cent of number of farms of, operated by white managers, by states: 1910.....	328
Tenants, number of farms operated by: 1910.....	317	— per cent of increase, by states: 1900-1910.....	138	— per cent of number of farms of, operated by white owners, by states: 1910.....	326
— per cent of all land in farms operated by, by states: 1910.....	320	— rural and: 1880-1910.....	135	— per cent of number of farms of, operated by white tenants, by states: 1910.....	327
— per cent of farms operated by, by counties: 1910.....	321			— total number of acres in farms of: 1910 and 1900.....	325
— per cent of improved land in farms operated by, by states: 1910.....	322				

## INDEX TO ILLUSTRATIONS.

	Plate No.		Plate No.		Plate No.
White managers, per cent of all land in farms of white farmers operated by, by states: 1910.....	332	White population, number of white and negro insane admitted to hospitals in North and South per 100,000 population, by age periods: 1910..	499	White tenants, per cent of number of farms of white farmers operated by, by states: 1910.....	327
— per cent of number of farms of white farmers operated by, by states: 1910.....	328	— per cent of increase in total, negro, and: 1790-1910.....	135	Wool, production: 1909 and 1899.....	351
White owners, per cent of all land in farms of white farmers operated by, by states: 1910.....	331	— per cent of native whites of native parentage in, by states: 1910..	146	Wool hats. <i>See</i> Woolen, etc.	
— per cent of number of farms of white farmers operated by, by states: 1910.....	326	White tenants, per cent of all land in farms of white farmers operated by, by states: 1910.....	333	Woolen, worsted, and felt goods, and wool hats, value of products for leading states: 1909 and 1899.....	418
				Worsted goods. <i>See</i> Woolen, etc.	
				Yams. <i>See</i> Sweet potatoes, etc.	
				Zinc. <i>See</i> Lead, etc.
