<sup>1</sup> Certain selected townships are listed at the end of the counties in which they are situated.

<sup>2</sup> Four general stores are included with general merchandise stores for cities of over 30,000 population when necessary to avoid disclosure. Such stores are, however, included in the general stores State total.

<sup>3</sup> This classification includes some motor-vehicle dealers also engaged in the sale of farm implements.

<sup>1</sup> Four general stores are included with general merchandise stores in certain cities of over 30,000 population to avoid disclosure of individual operations, but are included as general stores in the State total.  
<sup>2</sup> This classification includes some motor-vehicle dealers also engaged in the sale of farm implements.  
<sup>3</sup> For combined figures for this city (town) see summary at end of this table.  
<sup>4</sup> The sales figures include a large proportion of country buying reported as sales by retailers.
