<sup>1</sup> Four general stores are included with general merchandise stores for cities of over 30,000 population when necessary to avoid disclosure. Such stores are, however, included in the general stores State total.

<sup>2</sup> This classification includes some motor-vehicle dealers also engaged in the sale of farm implements.

<sup>1</sup> 5 general stores are included with general merchandise stores for cities of over 30,000 population when necessary to avoid disclosure. Such stores are, however, included in general stores State total.  
<sup>2</sup> This classification includes some motor-vehicle dealers also engaged in the sale of farm implements.  
<sup>3</sup> For combined figures for this city (town); see summary at the end of this table.
