\* Employees and pay roll include paid executives of corporations but not the number and compensation of proprietors of unincorporated businesses.

<sup>1</sup> Includes custom industries, and small manufacturing plants not included in the Census of Manufactures, for the reason that the value of products of each establishment is less than the minimum necessary to be classed as a manufacturing plant.<sup>2</sup> Includes one establishment of the "Miscellaneous services" group, combined to avoid disclosure.

\* Employees and pay roll include paid executives of corporations but not the number and compensation of proprietors of unincorporated businesses.

<sup>1</sup> Includes two establishments of the "Services allied to transportation" group, combined to avoid disclosure.

<sup>2</sup> Includes custom industries, and small manufacturing plants not included in the Census of Manufactures, for the reason that the value of products of each establishment is less than the minimum necessary to be classed as a manufacturing plant.
