Jackman, shoe repair shop
Mender shoes (not in factory)
Reparer, boots and shoes (not in factory)
Shoe cobbler (not in factory)
Shoe repairer (not in factory)
Shoemaker (not in factory)
Shoemaker, own shop

STATIONARY ENGINEERS, CRANEEN, HOISTMEN, ETC.

356 Ind Stationary engineers:
Acetylene gas compressor operator
Acid operator, explosive factory
Air compressor (operator)
Air plant engineer
Assistant engineer (stationary)
Auto or gas engineer
Blowing engineer, Bessemer converter or steel mill
Blowing engineer, blast furnace
Booster pump operator
Brakeman engine house, iron mine
Breaker engineer, coal mine
Centrifugal man, gold or silver mine
Chief engineer, power house
Chief engineer, street railroad
Chief stationary engineer
Compressor (air), (any mine)
Compressor engineer
Compressor operator (air or gas)
Cooling tower operator
Diesel engine operator
Engineer (stationary)
Engineer (steam), (log, lumber, or timber camp)
Engineer (any drill), (any mine or quarry)
Engineer (any store)
Engineer (steam), building
Engineer, coal dock
Engineer, cold storage plant
Engineer, college, school, or university
Engineer, compressor
Engineer (stationary), contractor
Engineer, engine house (n. s.)
Engineer, farm or garden
Engineer, gas, oil, or gasoline engine
Engineer, Government lock
Engineer, Government (work)
Engineer, greenhouse or florist
Engineer, home or house
Engineer, hotel or club
Engineer, ice plant or company
Engineer, log loader or log skidder
Engineer (n. s.)
Engineer, pipe lines (petroleum, gasoline, or n. s.)
Engineer, pump house or station (any)
Engineer, refrigerating (stationary engineer)
Engineer, restaurant
Engineer, stationary
Engineer, steam
Engineer, steam power plant
Engineer, stockyards
Engineer, stone crusher
Engineer, street railroad
Engineer, threshing machine engine
Engineer, traction engine
Engineer, warehouse
Engineer, air compressor (any mine)
Engineer, fan engine (any mine)
Engineer (any gas, oil, or gasoline engine, except locomotive)
Engineer (steam engine, except locomotive)
Fan engineer (any mine)
Fan runner (any mine)
Fan tender or turner (any mine)
Foreman engineer
Gas compressor (operator)

356 Ind Stationary engineers—Con.
Gas engine operator
Gas engineer
Gas engineer
Heating and ventilating man (stationary—engineer)
Hot mill engineer, bar or sheet mill
Hot saw engineer, rail mill
Humidifier attendant
Lifter, salt well or works
Maintenance engineer (any building)
Mixing house engineer, Bessemer converter
Motorman (stationary engineer)
Oil pumper, oil refinery or works
Operating engineer (excepts construction and electric light or power plant)
Operator, Diesel engine
Operator, pumping station
Pitwright (any mine)
Plumber (any mine)
Portable engineer
Powerhouse engineer
Powerman, telegraph
Powerman, telephone company
Puffer tender (any mine or quarry)
Pulsemeter man, gold or silver mine
Pump man (operator)
Pump man, bar mill
Pump man, paper or pulp mill
Pump man or manager, railroad
Pump operator
Pump runner
Pump tender
Pump tender, blast furnace or steel mill
Pumper (except in slaughter or packing house or sugar refinery)
Refrigerating engineer (stationary engineer)
Refrigerating engineer (stationary), boat, ship, or vessel
Refrigeration engineer (any mine)
Refrigerating machine operator
Refrigerator engineer
Roll engineer
Shear or table engineer, plate or steel mill
Stationary engineer
Steam engine man
Supervising engineer (stationary)
Tipple engineer, coal mine
Turbin engineer
Turbin engine
Turntable engineer, railroad
Ventilation man (stationary engineer)
Washery engineer (any mine)
Waste oil pumper
Watch engineer (any factory)
Watch engineer, power house
Watch engineer, street railroad

358 Ind Cranemen, hoistmen, and construction machinery operators:
Acid craneman, trolly mill
Asphalt paving machine operator, road construction
Backfiller engineer, construction industry
Back-hoe operator
Batch plant operator
Bituminous paving machine operator, road construction
Blade man, road construction
Boom crane operator
Bosswining operator
Bottom craneman, Bessemer converter
Bridge operator, blast furnace or steel mill
Bridgeman, iron works
Bridge or bridgeman, steel mill
Builder operator, road construction
Cable engineer (except on cable ship)
Cable operator, construction
Cage operator, construction
Capstan man
Capstan, derrick boat
Casthouse craneman, blast furnace or steel mill
Cathead man, construction
Charging craneman
Cinder dump craneman
Cinder pit craneman
Clampshead operator
Coke crane operator, iron or steel mill
Concrete mixer operator
