¹ Information that Presque Isle town, Aroostook County, was incorporated as a city on January 1, 1940, was received subsequent to the urban-rural tabulations. Hence the urban figures for the county and State presented throughout this bulletin include only the population of Presque Isle village instead of that of the entire city. Note.—In the remaining tables in this report, the urban-rural figures for censuses prior to 1940 have not been adjusted to the 1940 classification.

URBAN AND RURAL POPULATION FOR THE STATE: 1790 TO 1940

Percent not shown where less than 0.1 or where base is less than 100. Sex ratio not shown where number of females is less than 100.]
