CITIES OF 100,000 OR MORE, AND METROPOLITAN DISTRICTS

The statistics for each city of 100,000 or more are presented in a series of 9 standard tables. Similarly, the statistics for each metropolitan district with a central city of 100,000 or more, or with a gross population of 150,000 or more, are presented in a series of 8 standard tables. Table 52 provides, within a single table, summary statistics for all metropolitan districts located in the State and is presented only for those States which include metropolitan districts of a type other than those for which detailed statistics are presented in tables 44–51. The subjects covered by tables 35–43 for cities, and tables 44–52 for metropolitan districts, are indicated by the lists of titles immediately following, and the page on which each table is to be found for any given city, or metropolitan district, is shown in the tabular presentation below.
