Table 2 presents statistics for the white and nonwhite for all cities of 500,000 inhabitants or more.

Table 3 presents statistics for the white population by nativity for all cities of 500,000 inhabitants or more.

Table 5 presents statistics for the foreign-born white for the State, urban and rural, and for all cities of 50,000 or more which have a foreign-born white population of 10,000 or more.

Table 5 presents statistics for the foreign-born white for the State, urban and rural, and for all cities of 100,000 inhabitants or more.
