<sup>41</sup>The revised population total for Crescent village is 409. The figure in the table excludes population for an area misclassified as outside, rather than inside, the village limits. This error was discovered too late for correction in the detailed distributions. See other footnotes at end of table, p. 29.

<sup>1</sup> Revised since publication of 1950 reports.

<sup>2</sup> The revised population total for North Chicago is 22,938. The figure in the table excludes population for an area misclassified as outside, rather than inside, the city limits. This error was discovered too late for correction in the detailed distributions. The error occurred in the area annexed since 1950.

1 Not in area in 1950.

2 Incorporated since 1950.

3 Part of Du Page County annexed by Chicago city since 1950; the part annexed had no population reported in 1960.

4 Includes population (1,313) of part of Colona township, Henry County, not in area in 1960.

5 Includes population (257) of part of Coal Valley township not in area in 1960.

6 Includes population (731) of part of Davenport township not in area in 1960.

7 That part in the urbanized area had no population reported in 1960.

8 The revised population total for North Chicago is 22,938. The figure in the table excludes population for an area misclassified as outside, rather than inside, that part of the city in Shields township. This error was discovered too late for correction in the detailed distributions.
