(This is a special binding for record purposes only.)

Social and Economic Statistics
Administration Library

The HC(3) series consists of 278 reports—236 for urbanized areas and 42 for selected areas (i.e., contract areas; see text page IV). These reports, which appear here as originally issued, have been bound specially into a set of 45 hard-cover books for a durable reference volume. Each book is identified by a part number and the list below indicates the reports which comprise each of the 45 parts.
