¹Because some persons have more than one of the types of earnings specified, the total number of persons with earnings is less than the sum of persons with wage or salary income and self-employment income.

²Includes, in addition to the class of worker groups shown separately, self-employed workers, unpaid family workers, and members of the Armed Forces who received wage or salary income in 1969. ³Persons with either or both nonfarm and farm self-employment income in 1969. ⁴Includes members of the Armed Forces.
