GENERAL SOCIAL AND ECONOMIC CHARACTERISTICS

# Table C-4. Percent of Allocation or Substitution for Nonresponse for Selected Characteristics, for Places of 10,000 or More and Counties: 1970—Continued

[Data based on sample, see text. The term "allocation" means that a characteristic was assigned in the absence of a machine-readable entry or changed to make consistent with other entries during the computer editing. For minimum base for derived figures (percent, median, etc.) and meaning of symbols, see text]

			I population						Persons			Persons	16 to 64	
Places of 10,000 or More						Women ever	Persons 25		Labor stat			,

# Table C-4. Percent of Allocation or Substitution for Nonresponse for Selected Characteristics, for Places of 10,000 or More and Counties: 1970—Continued

[Data based on sample, see text. The term "allocation" means that a characteristic was assigned in the absence of a machine-readable entry or changed to make consistent with other entries during the computer editing. For minimum base for derived figures (percent, median, etc.) and meaning of symbols, see text]

		Tote	al populatio	n					Persons	14 years	and over	Persons yec		
Places of 10,000 or More Counties						Women ever married,	Persons 25 years old	Persons 3	Labor stat					
Counties	Persons with sample information	Age	Nativity	Year moved in	Farm- nonfarm residence	15 to 44 years old Children ever born	and over— Highest grade completed	to 34 years enrolled — Level of school	Labor force	Not in labor force	Total income	Vocational training	Disability	Total families — Family income

GENERAL SOCIAL AND ECONOMIC CHARACTERISTICS

# Table C-4. Percent of Allocation or Substitution for Nonresponse for Selected Characteristics, for Places of 10,000 or More and Counties: 1970-Continued

[Data based on sample, see text. The term "allocation" means that a characteristic was assigned in the absence of a machine-readable entry or changed to make consistent with other entries during the computer editing. For minimum base for derived figures (percent, median, etc.) and meaning of symbols, see text]
