Table 212. Poverty Status in 1969 of Families, by Type of Income and Age, Sex, and Race of Head: 1970—Con.

Excludes inmates of institutions, members of Armed Forces living in borracks, college students in dormitories, and unrelated individuals under 14 years. For explanation of percentage figures, see "Poverty Status" section in Appendix B. Data based on sample, see text. For minimum base for derived figures (percent, median, etc.) and meaning of symbols, see text)
