Table C-4. Percent of Allocation or Substitution for Nonresponse for Selected Characteristics, for Places of 10,000 or More and Counties: 1970-Continued

| Places of 10,000 or Mare Counties | [Dato based on somple, see text. The term "allocation" means that a characteristic was assigned in the absence of a machine-readable entry or changed to make consistent with other entries during the computer editing. For minimum base for derived figures (percent, median, etc.) and meaning of symbols, see text] |  |  |  |  |  |  |  |  |  |  |  |  |  |
