Table C-4. **Percent of Allocation or Substitution for Nonresponse for Selected Characteristics, for Places of 10,000 or More and Counties: 1970—Continued**

[Data based on sample, see text. The term "allocation" means that a characteristic was assigned in the absence of a machine-readable entry or changed to make consistent with other entries during the computer editing. For minimum base for derived figures (percent, median, etc.) and meaning of symbols, see text.]
